

The West's Best!

Pulling together we can make Hamlin's slogan a reality, not just another slogan!

The Hamlin Herald

"SERVING THE HEART OF THIS FOUR-COUNTY AREA"

HAMLIN, JONES COUNTY, TEXAS, FRIDAY, MAY 30, 1947

Think It Over!

The Herald is the only newspaper in the world that really gives a hoot for Hamlin!

TEN PAGES TODAY

Completion Brings New Oil Pool Near Hamlin

Completion tests on a wildcat four and one-half miles northwest of Hamlin indicate a new oil pool for this area, it has been announced.

A potential gauge of 22 barrels of 37 gravity oil per day with 89 per cent water has been filed for Fisher County's latest prospective new pool opener. The well is the Texas & Pacific Coal and Oil Co. 1-A J. B. Young, 330 feet from the south and 3,050 feet from the west line of W. E. Kaye survey 3. The test was on pump from line pay at 3,106-15 feet which had been treated with 1,000 gallons of acid.

More Sugar For Housewives

Household sugar shortage problems are being eased rapidly.

The Agriculture department came up with this good news for the housewives:

- 1.—Spare Stamp No. 12 in ration books may be used for 10 pounds of sugar immediately rather than on June 1 as previously announced;
- 2.—A new rationing stamp good for 10 pounds will be valued not later than August 1, and
- 3.—If the sugar picture continues to improve the individual consumer or consumer can get more sugar than the 35 pounds previously allotted him for 1947.

Four Hamlin Students Finish At HSU June 2

Four students from Hamlin, will receive degrees from Hardin-Simmons University this spring, Mrs. J. A. Pearl, university registrar, has announced. They are: Bill Scott, Frances Ubben, Koleta Clements and Bertie Ida Agnew.

Scott, son of Mrs. Frances Scott, will receive a Bachelor of Science degree with a major in Physical Education and a minor in History. A veteran of five and one-half years with the field artillery, he was elected to the highest office offered a student in last year's student elections when he was selected for the Presidency of the Student Council. He was captain of last year's cowboy basketball squad and a member of the Who's Who in American Universities and Colleges.

Frances Hermena Ubben, daughter of Mr. and Mrs. J. Ubben, will receive a Bachelor of Arts degree for work done in Speech and English. She has been active in university activities for her four years at Hardin-Simmons. Student activities in which she has participated, 1945; H-SU Cowgirls president, 1947; University Players, president, 1945; Head of executive committee of Players, 1947; Treasurer of Senior Class, 1947; Oratorical and Debating Council; Who's Who in American Universities and Colleges and her senior year was runner-up in the student election for University Queen.

Miss Koleta Clements daughter of Mr. and Mrs. Ira A. Clements, was a major in English and a minor in business Administration. She has served as secretary of the Life Service Band, a member of the Smith Hall Council and Baptist Student Union executive Council and president of Alpha Chi.

Miss Bertie Ida Agnew daughter of Mrs. Dora Agnew has a major in Elementary Education and a minor in Bible. A transfer student from Wayland College and Sul Ross State teachers she plans to do educational work in the church after her graduation.

Commencement exercises for the 1947 graduating class will be held in Behrens Chapel Monday night, June 2.

Baccalaureate services will be held on Sunday night, June 1, at the First Baptist Church, Abilene.

Methodist Church Vacation School Opens Monday

Vacation Church School at the First Methodist Church will begin at 8:30 Monday morning, June 2. Classes will be held each morning from 8:30 to 10:30 through June 8.

The four and five-year-old pupils will be under the leadership of Mrs. D. O. Sauls and Mrs. Henry Jackson. An interesting course of study, play, devotion and construction has been outlined for this group.

Mrs. Fred Smith and Mrs. Brad Rowland will be in charge of the six, seven and eight-year-olds. The course of study, "We Go to Church." The program for this group will be varied with singing, scriptures, recreation, and construction work.

The Juniors, nine, 10 and 11 years of age, will be directed by Mrs. Lawrence Denton and Mrs. V. V. Anderson. "People who lived in Jesus' Day" is the chosen study course for this group. Much supplementary material will be used to make all of the work appealing, while directed games, handwork and singing will be given a large part in the schedule.

In the Intermediate group—12-13 and 14 years of age, Mrs. Tom Teague will present the course of study "Becoming a Person." Recreation will be directed by Mrs. Gordon Bennett. Mrs. Joe McCrary will direct the music and teach church hymns. Mrs. John Dixon Ferguson will conduct a class for the girls in "Charm and Home Development." Mr. Blankenship will direct the boys of this group in a manual training class.

The pastor of the church will visit each group frequently and will address each group once on the subject, "The Child's Place in His Church."

Saturday afternoon, May 8, a picnic will be held at the City Park for the entire Vacation Church School. Parents, make it possible for your children to enjoy this week of study and wholesome association. Your cooperation will be greatly appreciated by the pastor and the leaders of the school, and your children will be greatly benefited.

To Attend Council

Rev. and Mrs. Paul Joyner will attend the Assembly of Churches annual district council in Brownwood June 2 to 6.

NOTICE

There will be preaching every Saturday afternoon on the streets of Hamlin at 2:30.—J. B. Turner.

Interest Growing in Appreciation Day

Good-sized crowds are continuing to attend Hamlin Merchant's Appreciation Day, sponsored by the Hamlin Chamber of Commerce and interest seems to be mounting, according to those in charge of the special trades event.

People from many sections in the vast Hamlin trade territory appear to be glad of the way in which local merchants are showing their appreciation for their patronage. The

Treasure Chest, news of which is spreading far and wide, is growing and members of the group urge everyone to be in Hamlin every Wednesday afternoon and to trade here at all times for some of the best buys in West Texas.

Any person not understanding all the features of Appreciation Day is urged to ask member business houses and donors for information concerning participation by the individual shopper.

"The Champ" and His King-Size Trophy

Pictured above with a triumphant smile is Sid Meadors, a Santa Fe engineer, with the Abilene Reporter-News trophy awarded him for winning the 15-county West Texas Bass Rodeo. Meadors pulled his 10-pound catch from the old Lake Hamlin on May 6 and brought it to The Herald office for official entry into the contest.

Construction On New Hospital Progressing

Construction work on Hamlin Memorial Hospital is going forward at a rapid pace this week. Those in charge feel the building will be completed and ready for furnishing in early July.

Workmen are now building inside partitions and walls and fitting rafters in preparation for roofing work. The building is rapidly taking shape and all interested citizens of the community are urged to drive by and look over the project.

In connection with the project the committee in charge made the following statement this week: "This week Certificates of Membership in the Hamlin Memorial Hospital were issued to D. J. Herbst, whose name was omitted from the list of last week. Also this week Travis Connor received his Certificate."

"The next list of certificates will be issued on the week following the 15th of June."

"Please, folks, if you care to look out on the hospital by taking out a small share, do so, and don't wait. Begin your membership as low as \$10. If you can't spare \$50, all at once. This is your hospital, and the sooner we join hands and measure up several hundred families who are interested in relieving the medical situation in this community, the more it will encourage doctors to want to join the hospital staff."

"It is the hope of the directors to be able to announce what doctors have charge of the hospital by June 15 or 20, if not before. Remember this is to be a 'regular' hospital, approved by the Medical Profession of Texas."

"Visit the building under construction, we believe you will like it."

Revival Continues Through Week at Assembly of God

Good attendance is being enjoyed at the revival meeting in progress at the Assembly of God, according to the pastor, Rev. Paul Joyner.

Evangelist C. U. McMullen is preaching each night with special music by him, his wife and their two children.

The services begin at 8:00 p. m., and the public is invited to attend these closing services.

Mrs. Bill Rountree visited her daughter, Mrs. Tommy Ellis, in Abilene Sunday and attended the Chanter's presentation of Haydn's "The Creation."

Jaycees Sponsor Swine Program

Hamlin Junior Chamber of Commerce, following the example of the other civic organizations interested in improved agriculture and livestock activities in this area, has decided to sponsor a hog-raising program. The Jaycees have voted to buy a pure bred hog and give it to an outstanding boy in the Hamlin FFA chapter who has made good on swine production. The plan is now being worked out and details are expected to be announced soon. It will be much like the Jersey heifer program sponsored by the senior chamber.

Officers of the Jaycees recently elected for the coming year include: J. C. Turner, president; Travis Hash, first vice-president; L. J. Cunningham, second vice-president; H. E. Lawson, secretary-treasurer and Lowell Stell, state director.

Wise Chapel Leads Pack In Softball

Wise Chapel's softball entry holds the lead in the Hamlin Softball League this week with V. F. W. close behind in second and General Crude and Celotex in third and fourth place, respectively.

Last Thursday night Celotex downed Hamlin Independents 10-6, VFW turned back General Crude by 7-2. Friday night Wise Chapel goose-egged Plainview 10 to 0 and Sylvester walloped the Independents 12 to 8. Monday night Celotex nosed out VFW 6-4.

This Thursday night pits Wise Chapel vs. Sylvester and Independents vs. General Crude.

Other games for the next week include: Friday—Celotex vs. Plainview, and Girl's game. Monday—VFW vs. Wise Chapel, Celotex vs. Sylvester. Tuesday—Girl's game, Wise Chapel vs. General Crude.

Oscar Potter Dies at Anson

Oscar Potter, 66, died suddenly Monday at Anson following a heart attack.

Funeral services were held Tuesday afternoon at 4:00 p. m. at the Anson Church of Christ.

Mr. Potter was an uncle of Mrs. J. E. Crow of Hamlin, and he had resided in Jones County for many years.

Growers Ready Combines For Bumper Wheat Harvest

Rev. Crawford Addresses Seniors At Baccalaureate

Rev. J. T. Crawford, pastor of the Church of the Nazarene, addressed the graduating class of Hamlin high school Sunday evening at the baccalaureate service held at the high school auditorium.

He chose for his subject, "The World's Greatest Quest." In explaining that this quest was happiness, he named the many things that people seek to attain such as wealth, social distinction and political prominence.

Then he answered the question "What Is Happiness?" by first naming the things which do not provide happiness—fame, unbelief, pleasure, military glory, possessions, social highstanding, etc.

"Christ tells us in Matthew that happiness is not born of what we have or don't have but is born of what we are, in saying blessed are the poor in spirit, the meek, those which do hunger and thirst after righteousness, the merciful, and the pure in heart", Rev. Crawford pointed out. "Happiness does not consist in the multiplication of one's wealth but rather in the subtraction of one's desires."

He quoted the Greek philosopher Diogenes, "A man's happiness best promoted by the decrease of his wants, rather than by an increase in his income."

He emphasized that the Christians desires are bounded by the will of God.

In conclusion he related the story of the colored man, alighted from a merry-go-round, who was met by his wife with this accusation, "Now look at you; you spent your money, you got right where you got on, and you ain't been nowhere." He added that was the description of most modern living, a senseless whirl.

"Seek the thrills God Gives—Joy unspeakable and full of glory."

There is no morning aftertaste to the job of the Lord."

Texas City VFW Thanks Local Post

Mainland Post 3216, Veterans of Foreign Wars, of Texas City has sent the following letter of appreciation to members of Hamlin Post 6014 for their recent assistance:

Earl Smith Quartermaster Post 6014 VFW Hamlin, Texas Dear Comrade Smith and Comrades:

We wish to acknowledge receipt of your check in the amount of \$70, which was sent to the Mainland Post 3216 of the Veterans of Foreign Wars.

This contribution you have so generously given during our time of great need is deeply appreciated, and our sincere thanks to the Comrades of your Post. The kindness and thoughtfulness of our Comrades and Sisters in this disaster will never be forgotten.

Yours in Comradeship, Harvey F. McGinnis Commander Post 3216 Texas City, Texas

Tommy Carpenter To Camp Tonkawa

Tommy Carpenter, son of Mr. and Mrs. Fred Carpenter, has been chosen as one of the 15 senior scouts to serve on the Camp Tonkawa Service crew for the month of June.

He left Wednesday to assume his duties.

Mrs. C. P. Amerson is now at the family home after treatment in a Stamford hospital and is reported getting along nicely.

Rio Grande Catch

J. W. Harless

J. W. Harless really has something to brag about when he tells about catching this 80 pound catfish in the Rio Grande River recently.

He made the big catch while on a vacation trip to the Big Bend country.

First Baptist Vacation Bible School June 12

Plans are being completed for the annual Vacation Bible School at the First Baptist Church, according to the pastor, Rev. John H. Os- teen, who will be director of the work. Classes will begin Monday, June 9 and continue through Friday, June 13.

All Hamlin children from nursery age through intermediates are extended a cordial invitation to attend these classes, which will include recreation, handwork, memory work, Bible stories and other activities.

Registration will be held Saturday, June 7 from 9 to 11:00 a. m. in the morning. Moving pictures will be shown and refreshments will be served. Those who can not be present Saturday, may register Sunday. It is hoped most of the group will be enrolled before Monday morning, to avoid so much confusion to start the school.

Mrs. J. L. Altum will be superintendent of the beginners department, Mrs. A. G. Irwin, the primary department; and Mrs. Ovid Lawlis, the intermediate group. A leader for the junior department is yet to be secured. Co-workers and teachers are being signed up and any lady who is willing to work in this school is urged to notify the pastor or some superintendent.

Mr. and Mrs. Bonnie Smith will assist with the school work.

First Grain Sold In Local Market Monday for \$2.50

Railroads Set To Haul Crop

There were combines to the left and combines to the right this week in Hamlin as wheat farmers of this area, large and small, rapidly completed preparations for harvesting a "bumper" wheat crop. Observers of years standing predict it will be one of the largest, if not the largest, wheat crops ever harvested in this section.

Heavy rains of the past few weeks came just about the right time and since the last rain, the dry, warm days have been just what the doctor ordered.

First of the new crop wheat to be delivered to the Hamlin markets was a load of 63 bushels produced by J. T. Smith of the Plasterco community. The wheat graded No. 1 with 12.07 per cent moisture content and weighed 60 pounds per bushel. This wheat was delivered to the Hardin elevator Monday and brought \$2.50 per bushel.

The first of the new crop of oats were brought in Saturday by Jerry Maberry. Due to the moisture no price was established, it is said. The F. B. Moore Grain Company bought some oats Monday from J. H. Walsh that weighed 34 pounds with 10 per cent moisture. They brought 85 cents per bushel.

Big push is expected to start early in June and if growers continue to get the breaks the harvest spotted get the breaks the harvest will be completed in record time. Some of the farmers are still reporting spotted tail damage.

Wheat belt railroads reported Wednesday they were ready to handle the 1947 harvest to pass a billion bushels.

Santa Fe elevator capacity has been increased and storage facilities now are generally empty and ready for the new crop. Junction points in Texas are getting a steady flow of cars from the east and plenty of cars are expected to be available in Hamlin to handle the crop.

The Katy has promised its lines would be ready to move wheat "with quickest possible dispatch."

Plans Underway For Church of Christ School

Plans are being made for a Vacation Bible School at the Hamlin Church of Christ, according to J. Cleo Scott, minister. The school will be held from June 16 through 20.

Teachers and workers are being secured and definite plans will be announced soon.

Go To California

Mr. and Mrs. Onis Crawford and son of here and Mr. and Mrs. San Crawford of Stamford left early Friday for California, where they will spend 15 days visiting relatives and points of interest.

Foundation is being laid for the new home of Mr. and Mrs. W. L. Boyd Sr. on Union Street.

104th Grand Jury Returns Seven Bills

One indictment for murder, one for burglary and five for forgery were returned by grand jurors in 104th district court this week.

Frank Brown was charged with the murder of Hattie McGee. The alleged offense occurred in Stamford on or about April 25.

Charges of burglarizing the filling station of Roy W. Mauldin, were returned against Cornelius Hall, Hamlin.

Two indictments were returned against Elbert Smith, Wichita Falls,

for forgery. Cecil Adams was indicted for forgery and two indictments were returned for felony against defendants who have not been arrested yet.

Brown and Smith will be arraigned before the court Thursday.

Members of the grand jury were: Haskell W. Carter, jury foreman; Alton Womack, V. R. Justice, Blaud Harper, B. R. Doty, W. T. Drennen, Roscoe Hood, Marion Humphrey, Roy H. Mays, Mack Collins, C. E. Gregory and H. W. Madden.

quitos in Hamlin, we must cooperate with the request that we make sure no water is standing around our residence or business house. We were assured that the river would be treated to rid that body of water of this pest.

Along this same line, we would like to mention the magnificent job that small town of Italy did last Wednesday in cleaning up and beautifying the resident and business section. Our brother-in-law, Russell W. Bryant, of the News-Herald, did a grand piece of promoting and publicizing the project and the whole citizenry pitched in and made a big success of it. All of that goes to demonstrate just what can be accomplished if everyone gets behind a project.

A good face washing and lifting might help Hamlin's appearance. What do you think?

We made another discovery too. The City Council had the same idea that we did in that Hamlin needed some traffic lights, but in a consultation with an official of the highway department they were told that if sufficient officers were not supplied to enforce the laws, they would make driving more hazardous. We are sure these men know of which they speak, but why couldn't our little city have two highway patrolmen stationed here. We believe it could be obtained if the citizens let the highway department know that they desire such action. We have seen it happen elsewhere. Reckless drivers and would-be law-breakers respect those uniforms. They would be an asset to our town.

Rev. John Osteen has publicly admitted that his wife, Jean, is smarter than he. Or at least that is the way it looks on the surface. He has informed The Herald that the Misses will write the articles European countries. The only trip to Denmark, and other for publication while they are on explanation he gave is that she can describe more vividly the scenery, people, etc. It takes a mighty unusual man to admit his wife can outwit him in anything. We are happy Mrs. Osteen is willing to write for us.

Now that school is out, what are you young people going to do for the next three months. Many will go to work, which is commendable. If you don't take a job, you can find something worthwhile to busy yourself with. You have heard that age-old saying, "An idle brain is the devil's work shop." Let's don't give him the opportunity to go to work, whatcha' say?

Sixty-four young people marched into a new world Tuesday evening when they received their diplomas. For many it was the end of their directed study, but we hope it isn't the finish for study and self-education. There is no limit to such instruction. For those who have the opportunity to further their study at college, they must use the above type of education by leaning to apply themselves to every responsibility and advantage which affords them. All must learn to distinguish the true values of this world. (If anyone should be so complimentary as to even hint that the above was copied from one of the commencement or baccalaureate addresses, we would hurry to state that this was written Friday preceding such events. So there!)

beauty. Think we will talk him into displaying it in our window. He should be given special recognition by Hamlin.

Received a letter from Mrs. Clyde Lamotte, former Louise Reynolds, which is quite interesting:

"My husband and I had a hearty laugh at the predicament you were in a week or so ago when your newly acquired linotypist 'flew the coop', as you described it.

Clyde is a reporter and feature writer on the Houston Post. At the time your 'apologies' reached us we were pondering over the pros and cons of a small town weekly that was at that time for sale. Of course, we wanted only to better ourselves, we were weighing the thing from all sides. One feature we were leary of was that it would be very difficult to haul a good union man to the paper at a salary

that we could pay. Your experience along with a substantial raise from The Post settled the question. Clyde decided to stick with the Hobbits and let them get the grey hairs. Luck to you."

Smart man!

SEES WITH ELECTRONIC EYE

Blind since he was shot down in one of the early Fortress raids
over Germany, John Paul Moriarty has returned to work at the
Timken Roller Bearing Co.'s Canton plant, thanks to a war-time
developed electronic gauge which enables blind workers to inspect
precision parts as rapidly and efficiently as a sighted person.

Timken officials said they began working on the development as
part of a plan designed to provide postwar jobs for handicapped
veterans. Leaders in rehabilitation work hail this as a far reaching
step in their program to make the handicapped independent and
self-supporting.

The gauging machine now operated by the veteran uses sound
as a substitute for sight. By distinguishing between oscillating notes
from a small loudspeaker, attached to the machine, the blind operator
is able to tell whether the bearing being measured is proper or
defective.

The smiling Moriarty, except that he wears a red cap, would not
be noticed by the visitor. The girls working on the same production
line have only one complaint,—he works too fast.

Moriarty and his wife, Catherine, have three children, Cecelia
Anne, 21 months, and the twins, Kathleen and Maureen, now
one-year old.

Most Communicable Diseases Can Now Be Held in Check

If every case of suspected com-
municable disease in this area could
be promptly visited either by the
family physician or the local health

officer, thousands of susceptible per-
sons would be protected from dis-
abling illnesses, according to the
state health officer.

To quote Dr. George W. Cox, "The
old fashioned theory that it is a
good thing for children to have a
number of the catching diseases and
get them over with, has long since

been known to be a serious and
sometimes fatal error. The longer
a child can keep from having these
diseases the better it is for him.
Every child should be completely
protected by vaccination or inocula-
tion against any such diseases where
an immunity can be produced."

Prompt diagnosis, isolation, good
medical and nursing care give the
patient the best chance for a satis-
factory recovery without the serious
complications that sometimes ac-
company even the mild forms of
communicable disease. Dr. Cox
emphasized that obeying the public
health laws regarding isolation and
quarantine of communicable dis-
eases protects not only the patient,
but helps prevent others from con-

tracting the illness.

"The State Health Department,"
Dr. Cox said, "is doing everything
in its power to protect the health of
the people of Texas. The coopera-
tion of every individual in protect-
ing his own health, and that of his
community, will do more than any-
thing else to help check the spread
of communicable diseases."

Mr. and Mrs. Donald Bryant and
Mary Beth and Mrs. J. H. Burke,
spent Sunday with Mr. and Mrs.
Ray Moss in Plainview community.

Pointers Given on Best Methods of Canning Berries

With berries becoming more plentiful, Hamlin area housewives may wish to clip the following recipes for use during the weeks ahead.

Berry Juice

Berry juice canned with a little sugar makes good drinks and ices. Crush and heat berries nearly to boiling. Add a cup of sugar to a gallon of juice. Heat the juice to boiling, pour into hot jars, seal and process in water bath 15 minutes. Remove from water bath to cool.

Strawberries

Strawberries are not as good canned as preserved. You might like to use this standard strawberry preserve recipe:

Boil two cups sugar and one cup water together until it begins to form a thread. Add one pint of strawberries and cook 10 minutes. Add another pint of strawberries and one cup of sugar sprinkled over the top. One tablespoon lemon juice added at this time helps retain color. Boil 10 minutes, or until it reaches a jelly stage. Remove them from the fire and shake the kettle gently until the foam collects in the center and can be easily removed. Then pour into a flat pan or bowl and let cool before putting into hot, clean containers. Cover with paraffin and seal at once. Label and store in dry, cool, dark place.

Freezing Berries

Frozen berries have more food value than when preserved in other ways. Berries make a fine frozen product if you start with good fresh berries, prepare them carefully, package and store them correctly.

Leave all small berries whole. Large strawberries should be sliced. Use about one cup sugar to six cups berries. They may vary some with different varieties of berries. Sift the sugar over the prepared berries. The sugar will draw juice from the berries and make their own syrup.

Pack into containers which are moisture-proof and liquid tight. You may use glass jars, R enamel tin cans or regular frozen food cartons. When packing food, leave head-space of about one-half inch. Glass jars and tin cans will be sealed the same as when canning. Frozen food cartons should be sealed by directions given for each type carton.

Applications for Sugar Accepted

People in the Hamlin section are advised application by letter may now be made for sugar ration books for infants, persons discharged from the armed services and for replacement of mutilated books.

Sugar Rationing Administration announces applications will be accepted by J. Bryan Miller, Fidelity Building, Dallas 2, Texas.

Those who have inquired about ration books are told applications for replacements must be accompanied by the mutilated book.

No charge is made in the requirement of a formal application for replacement of lost or stolen ration books—except that a new form, combining OPA forms R-146 and R-194, is provided. The combined form is SRA Form R-218.

All letters requesting new ration books, Hamlin area folks are informed, must contain the applicant's name and address, a statement that the applicant is an infant or a person discharged from the armed services, or a statement that the ration book has been mutilated.

Mrs. J. C. Randal of Abilene visited Mrs. S. D. McMahon Sunday.

Mr. and Mrs. Jack Wilson and Rany of Abilene visited his mother, Mrs. M. Y. Wilson.

Dr. and Mrs. Brandon White and children of Stephenville spent the week-end with her mother, Mrs. Richardson.

The beauty of holiness has done more, and will do more, to regenerate the world and bring in everlasting righteousness than all the other agencies put together.—Chalmers.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.

2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

Miss Ouida Myrle Withers Honored at Tea in Kingsville

Mrs. Grogan Turner returned Saturday from Kingsville, where she attended a gift tea honoring her sister, Miss Ouida Myrle Withers, bride-elect of Malcolm Howland Hudson of that city.

The tea was in the home of Mrs. P. F. Turner Tuesday evening, May 20. Included in the house party were Mrs. Lesh, the honoree, Mrs. Turner, Mrs. Morehead, Mrs. Gaines, Bertie Mae England, Ed die C. Morgan and Mrs. Kloss of San Antonio.

The table was laid with a beau tiful handmade cloth centered with a wedding ring of gardenias and pink lillies. Tall white tapers

The wedding will be performed June 3.

Miss Withers returned to Hamlin with Mrs. Turner for a short visit.

Mrs. A. G. Hudson Celebrates 91st Birthday May 19

Mrs. A. G. Hudson celebrated her 91st birthday Monday, May 19 at the family home. No special party was planned due to the fact that her daughter, Miss Pearl Hudson, had to be in Dallas, but several friends and relatives called during the day to bring gifts and wish her many more happy birthdays.

She was born May 19, 1856 in Tennessee, and came to Texas when she was nine years old, settling with her family in Lamar County. She came to Jones County in 1878.

Thirteen children were born to Mr. and Mrs. Hudson, five of who ty in 1900 after having been mar- are deceased.

The children are John Hudson, Pearl Hudson, Jim Hudson, A. Hudson, M. T. Hudson, all of Hamlin; Mrs. J. W. Connell, Phoenix, Arizona; C. D. Hudson, Coleman, Mrs. J. E. Griffin, Lamesa.

Mrs. Hudson has 32 grandchildren.

Rosalie Bogle And Alvin Connor Married Sunday

Miss Rosalie Bogle became the bride of Alvin Connor Sunday afternoon in a single-ring ceremony read by Rev. John H. Osteen, pastor of the First Baptist Church. The wedding vows were read at the home of the bridegroom's parents, Mr. and Mrs. Tom Connor.

Mr. and Mrs. Connor will make their home here.

Leta M. Spencer And Jesse Phelps Married Sunday

Miss Leta Mae Spencer, daughter of Mr. and Mrs. R. B. Spencer, was married to Jesse Phelps in a single ring ceremony read Sunday morning at 11:30 at the home of the bride's parents at Celotex. Rev. Paul Joyner performed the ceremony.

A wedding dinner was served to several relatives and friends following the ceremony.

Mrs. W. C. Calhoun and Mr. and Mrs. Lester Wood, of Moody, and Mrs. Bess Miles of Abilene were week-end guests of M. S. H. M. Hoo per.

DENTON.—THE FOUR PRETTIEST GIRLS at Texas State College for Women, according to bandleader Frankie Masters, are top, Shirley Shoemaker, Waxahachie, freshman; Alice Barrett, Lorenzo, senior, and bottom, Kathryn Tice Blankenship, Gainesville, junior; and Hilda Harkness, Texarkana, sophomore. Chosen by Masters in February the winners were not announced until Saturday night at TSCW.

Personal Items

Mr. and Mrs. Okley Christian and son, Dean of Fort Worth were visitors in the home of his uncle, Mr. and Mrs. R. L. Dean, during the week-end.

Bill Irwin, who has been in Colorado and California for the past several weeks, was here this week, for a short visit with his brother, Mr. and Mrs. A. G. Irwin. He went to Austin on a business trip following this visit here.

Mr. and Mrs. Carl Phenix, Mrs. W. H. Parker, Mrs. R. S. Dean and Mrs. Will Andress were in Abilene Sunday night to attend the Mc Murry Chanter's presentation of "The Creation."

W. R. Cohorn of Salt Lake City,

Utah visited his brother and family, C. C. Cohorn, last week.

H. A. Johnston was able to get to church and attend the baccala- reate services Sunday, which was the first time he had been out since last November.

Mr. and Mrs. T. A. Bailey of Ozona returned home Monday af- ter a week's visit here with their daughter, Mrs. John F. Green, Jr. and family. Their grandson, Johnny Green returned home with them for a visit.

Avoid Expensive Repairs

Watches not inspected and cleaned, at least once a year, usually give cause for serious repair work with greater charges.

You can avoid this by letting us clean and adjust your watch yearly.

COTTON'S MAID IS FASHION-RIGHT

It's pretty brunette Hilma Seay of Memphis, Tenn., the cotton industry's 1947 Maid of Cotton. On the left, Miss Seay models a sophisticated black and white cotton gingham daytime dress with bustle at the back and the new longer skirt done by designer Rose Barrack. Above is her official portrait study, and on the right, the Maid shows a three-piece cotton twill sports outfit by California designer Louella Ballerino. The ensemble consists of halter blouse, slim shorts and wraparound skirt. Hilma will show her smart cotton in more than thirty cities in the United States and France.

Here is an array of those quality, yet economically priced Royal Petite Informals, Royalty Correspondence Cards and Royal "Luxury" Socially Correct Notes. All three packed 24 notes and 24 envelopes in attractive boxes.

The Royal Petite Informals are single folded to size 3x3 7/8 inches and are ideal for invitation purposes, etc.

Royalty Correspondence Cards are correctly designed for every day use, size 3 3/8x5 3/8 inches—a most popular card.

Royal's "Luxury" notes are socially correct and sized 4 1/16x5 3/16 inches when folded.

All three of these popular "Socially Correct" items include fitted, perfectly matched envelopes.

Assembly of God Set Goal of 150 At Sunday School

Rev. Paul Joyner, pastor, has announced that the local Assembly of God Church has set a goal of 150 attendance for next Sunday morning. Superintendent J. D. Hall also urges all teachers and workers to contact absentees and invite every member or prospective member to be present.

A special healing service will be held at that church Friday night, it has been announced. The revival services will continue through Sunday night.

MEDAL OF HONOR

A TRUE TALE OF A NAVAL REBEL

BY A. S. CURTIS

ROBERT E. BUSH HOSP. APP. 1%, U.S.N.R. OF SOUTH BEND, WASHINGTON; FIGHTING MEDICAL CORPSMAN OF OKINAWA ISLAND WARFARE.

AFTER SECURING THE PLASMA BOTTLE ON A STICK, BUSH LOOKS FOR A WEAPON TO CONTINUE HIS DEFENSE OF THE MARINE.

MAY 2, 1945 ON BLOODY OKINAWA ISLAND, GATEWAY TO JAPAN'S ISLAND EMPIRE, BRAVING THE FURY OF ARTILLERY, MORTAR AND MACHINE-GUN FIRE, BUSH MOVES FROM CASUALTY TO CASUALTY, GIVING MEDICAL AID—

—DESPITE SERIOUS WOUNDS TO HIMSELF, INCLUDING LOSS OF ONE EYE, DURING THE BATTLE TO SAVE THE HELPLESS OFFICER, BUSH SHOOT DOWN SIX JAPS!

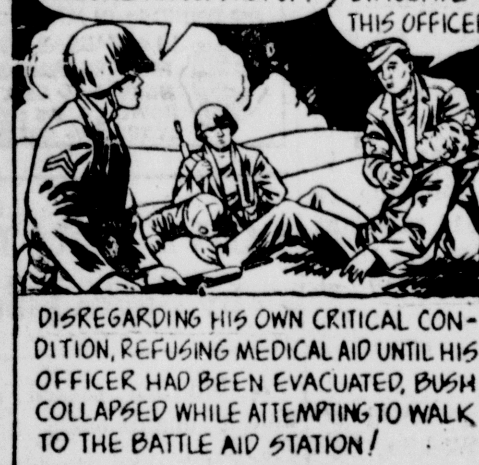

AT LAST, THE JAP DRIVE IS BROKEN!!

AS THE ATTACK PASSES OVER A RIDGE TOP, A MARINE OFFICER FALLS AND LIES WOUNDED, VISIBLE ON THE SKYLINE—

SAY, FELLA! YOU BETTER GET SOME HELP YOURSELF! YOU'RE REALLY SHOT UP!

DISREGARDING HIS OWN CRITICAL CONDITION, REFUSING MEDICAL AID UNTIL HIS OFFICER HAD BEEN EVACUATED, BUSH COLLAPSED WHILE ATTEMPTING TO WALK TO THE BATTLE AID STATION!

BUT SUDDENLY, THE JAPS COUNTERATTACK!

OH-OH! THEY'RE COMING BACK!

AT THE WHITE HOUSE, FROM THE HANDS OF THE PRESIDENT OF THE UNITED STATES, BUSH RECEIVES OUR HIGHEST AWARD FOR VALOUR, THE CONGRESSIONAL MEDAL OF HONOR!

HOLDING THE BOTTLE WITH ONE HAND, BUSH SEIZES THE OFFICER'S PISTOL AND FIRES INTO THE ENEMY RANKS!

I THINK THE PEACETIME NAVAL RESERVE OFFERS A GREAT OPPORTUNITY FOR YOUNG MEN TO EARN AND LEARN IN THEIR SPARE TIME.

LAPEL EMBLEM

Prominent Mason Goes to High Post In Shrine Work

In a news release from the Shrine of North America folks of the Hamlin region will be glad to know that Galloway Calhoun, of Tyler, a distinguished lawyer and

leading churchman, was Wednesday unanimously elected Deputy Imperial Potentate of the Shrine of North America at its 73rd annual convention now in session.

Born in Athens, 53 years ago, Mr. Calhoun was educated in the public schools and at the University of Texas, receiving his LL.B. at Cumberland University in 1915 and, in the same year, was admitted to the Texas Bar. He holds an honorary Doctor of Laws degree from Centenary College.

District Attorney, 7th Judicial District of Texas 1920-27, Mr. Calhoun was also First Assistant Attorney General of Texas from 1927 to 1930. He resigned that post to become a member of the Tyler law firm of Ramey, Calhoun & Marsh and is still active in that partnership.

Long active in both branches of Masonry, the York and the Scottish Rite, he holds the highest Masonic degree, the 33rd, and is a member of the Red Cross of Constantine. He was the Centennial Grand Master of Masons in Texas and received the Henry Grand Lodge of Massachusetts.

Past Potentate of Karem Shrine Temple, Waco, Mr. Calhoun will next year become Imperial Potentate of the Shrine of North America, the Order's highest ranking officer.

More than 80 per cent of 1946 automobile accidents in the United States occurred in clear weather. Drive carefully—always!

Jones County Farm Bureau Elects Officers

Officers of the Jones County Farm Bureau Federation were elected at a meeting of them Monday night in the office of H. C. Stanley, county agent.

H. C. Campbell, New Hope, was elected president; W. L. Kirby, Radcliff, first vice president; C. L. Moritz, Pleasant Valley, second vice president; Olin Potts, temporary secretary-treasurer, was asked to continue in that office until other arrangements can be worked out. The organization hopes to have a paid full-time secretary-treasurer.

A constitution and by-laws were drawn up and unanimously approved by the directors. Annual meetings will be held each first Tuesday in August. The charter will be presented at this meeting. The present directors will hold office until September, 1948.

The first vice president will be county membership chairman. Each director will be a member of the membership committee and will conduct the membership campaign in this community as he sees fit, according to the president of the organization.

The next directors' meeting will be the second Tuesday night in June, in the county agent's office. The present 14 directors were elected at a general meeting of the members of the Federation last Friday night in the High School Auditorium at Anson. Roy Nunnelly, Antelope, Nugent and Wilson; Cambel, Avoca and New Hope; Moritz, Pleasant Valley and Swenson; Morris Blakenship, Union and Pleasant Hill; L. V. Ely, Hamlin, Flat Top and Dovie; Potts Plainview and Carlton; Thompson Young, Boyd Chapel; Kirby, Anson, Hanna and Harmony; K. A. Goza, Sinclair, Carpenters Gap and Anderson Chapel; Jess Compton, Sunnyside, Tuxedo and Stamford John Wedeking, Corinth, New Light and Latoka; J. S. Varner, Stith, Warren and Comper; B. A. Stephenson, Truby, Hodges and Midway; Mack Collins, Delk and Hawley.

Directors for the following communities remain to be selected: Hollis Hill, Central and Oak Grove, Lueders and Swans Chapel, Golan, Goodman and Noodle, Center Line, Willow Creek and Lystra.

Mr. Campbell opened the meeting Friday night, expaining the need of a Farm Bureau Federation in Jones County. Marvin Carter state organization director of Waco, gave further information regarding the way the organization functions on a state and national basis.

Raymond McElrath of Coleman, director of district seven, gave a talk on the district set-up. Director DeVaney of Cohama, District 6, spoke on the work the Federation is doing in Howard County. He pointed that 435 families of the 600 farm families in Howard County that the Howard County group has built one of the finest Farm Labor Centers in this section of the state, and that the Federation sponsors a breeder-feeder association for 4-H and FFA boys.

Sunday School Attendance Good In All Churches

One thousand and twenty-nine people attended Sunday Schools in Hamlin Sunday, according to a survey taken by The Herald.

The First Baptist Church, with an enrollment of 607, had 436 present.

One hundred and seventy-four

attended Sunday School at the First Methodist Church. The Assembly of God Church reported 110 attending.

The Church of Christ had 95 attending their Bible School. And Church of the Nazarene reported 91 present.

The Calvary Baptist Church had 84 present and the Four Square Church had 39, making a total of 1,039 in all the local churches.

Anyone who is not enrolled in one of these schools is cordially invited to attend the church of their choice next Sunday.

John M. Shaffer of Gentry, Arkansas returned home after a visit here with his daughters, Mrs. John Dana and family and Mrs. John H. Osteen and family.

Most All Farm Products Remain Fairly Steady

Vegetables showed general weakness, but only spots of easiness developed at the southwest, far mmarkets last week, according to a report received by The Herald from the Production and Marketing Administration, U. S. Department of Agriculture.

Late-week easiness in spot cotton markets partly offset earlier advances, and Friday closed only \$1.50 to \$2.30 higher. Spot offerings decreased, but numerous inquiries came in for the medium and higher grades. Crop prospect varied widely by areas.

Light offerings of most grains encountered rather slack demand last week, but the market held firmly to early-week advances of around seven cents per bushel on wheat and corn. Other grains netted no more than a penny or two of difference one way or the other.

Wheat closed Friday around \$2.87 and white corn \$2.04, at Texas markets.

Some poultry eased off a little last week, but fryers held firm. Fully steady earlyweek egg markets developed an easier undertone later on. At mid-week, Fort Worth and Denver paid 37 cents per dozen; Fort Smith 36; Dallas 37-1/2; New Orleans, Oklahoma City, and San Antonio 38; Topeka 39; El Paso 40; Carlsbad, Houston and Shreveport 45.

Most cattle markets paid steady to higher prices last week, but Fort Smith 36; Dallas 37-1/2; New Orleans, Oklahoma City and San Antonio 38; Topeka 39; El Paso 40; Carlsbad, Houston and Shreveport 45.

Most cattle markets paid steady to higher prices last week, but Fort Smith 36; Dallas 37-1/2; New Orleans, Oklahoma City and San Antonio 38; Topeka 39; El Paso 40; Carlsbad, Houston and Shreveport 45.

Spring lambs strengthened at Oklahoma City and Wichita, but sheep and lambs sagged mostly 25 cents to \$1 or more at other southwest terminals. Good and choice spring lambs moved mostly at \$20 to \$22.50 at Fort Worth; \$22.50 to \$23.25 at Oklahoma City; and \$23.25 to \$23.75 at Wichita. The choice spring lambs brought \$23.75 at Denver.

Hog markets showed spots of weakness at all southwest markets, but some classes held steady or netted slight gains for the week. Closing bulk of good and choice butchers sold at \$23.75 at Fort Worth. Practical closing top was \$23.75 at Oklahoma City; \$24. at Denver; and \$25.15 at Denver. Weeks top at San Antonio was \$23.

Youth Rally at Mt. Zion Nazarene Church Friday

Representatives from eight of Churches of the Nazarene will meet at the Mt. Zion church Friday afternoon for a youth rally, Rev. J. T. Crawford, local pastor, has announced.

Those planning to send representatives are Abilene, Hamlin, Sweetwater, Stamford, Buffalo Gap, Merkel, County Line and Mt. Zion.

Any local young person who would like to attend is invited to do so.

Interesting Part of Town

"The people in our part of town are watching the results of a very interesting conflict."

"What is it?"
"An irresistible blonde has just met an immovable batchlor."

COTTON QUIZ

WHAT IS THE LEGAL WEIGHT OF A BUSHEL OF COTTONSEED?

ANS—IN TENNESSEE, A BUSHEL OF COTTONSEED LEGALLY WEIGHS 29 POUNDS; IN MISSISSIPPI, 28 LB.; IN ARKANSAS, 28 1/2 POUNDS. FARMERS MUST KNOW TO THE POUND TO SELL THEIR SEED BY THE LB. SEE THE HERALD.

I GIVE YOU TEXAS by Boyce House

A bill has passed the House almost unanimously to appropriate \$1,500,000 to create a new four-year technological college. Whose idea is this? Had you heard anything about it? Texas Tech at Lubbock is a great school so is Texas College of Arts and Industries at Kingsville. Why not send tech students to one of these highly successful colleges?

Just a few weeks ago this columnist visited A. & I. and it is a fine school but is greatly in need of buildings for the excellent technological equipment it has—electrical, aviation, oil and gas equipment.

Instead of starting a new four-year college, why don't we first provide the buildings and other needs of the colleges already in existence? The University of Texas, A. & M. and our other state schools have largely gone without new buildings since 1941. They are bursting at the seams. They are crowded with veterans enrolled under the GI Bills of Rights.

Another thing: This Legislature already has appropriated \$2,000,000 for a new university for the negroes. Isn't one big school in one year enough for the state to start?

And that \$1,500,000 for the proposed new technological college will only be a starter. Don't doubt it; give 'em that and it won't be long till they'll be back for more.

The governor warns that the state treasury is not going to have enough money to pay for all the things the Legislature is voting. Which do the people of Texas want a new technological college—or more pay for our public school teachers?

A new technological college—or some farm-to-market roads?

Do the people want another four-year state college—or doing something for the elderly who are having to get by on 80 cents a day when the cost of living has gone up 75 per cent in the last few years?

Life and goodness are immortal. Let us then have our views of existence into loveliness, freshness and continuity, rather than into age and blight.—Mary B. Eddy

Last year 30 per cent of all persons killed on America's streets and highways were pedestrians. Watch while you walk!

Another New Appreciation Day Merchant

Hughes Men's Store has been added to the fast growing list of Appreciation Day Merchants, according to Mrs. E. M. Wilson, secretary of the Chamber of Commerce.

This makes a total of 57 merchants participating in the event and four donors.

Mrs. J. C. McCarley of Mathis is a guest of her sister, Mrs. S. D. McMahon.

Hamlin's Oldest Home-Owned Grocery and Market

Mr. and Mrs. L. H. McBride attended "The Creation" at McMurry College Sunday evening.

Mr. and Mrs. Buddy Withers of Pecos and Mrs. Eual Leib of Albany spent the week-end with their mother, Mrs. J. C. Withers.

From Our Early Files

May 28, 1937

Miss Jacqueline McCoy was awarded third place in the Veteran's of Foreign Wars amateur contest in Abilene with her accordion, and will be sent to the Frontier Fiesta in Fort Worth.

F. E. Cauble caught a six pound, two ounce bass in Hamlin City Lake.

Betty Mercer and Howard Royce Via were married May 16 in Anson. Lula Mae White and Paul White were wed January

30, it was announced. Hattie Jo Bryson and Harold Heard were united in marriage Friday.

May 26, 1922

J. W. Sanford and Mrs. Avelyn Lambert were married in Fort Worth Monday.

Fourteen graduates will receive diplomas Friday, June 2. This is the largest senior class in the history of the school. Miss Lorena Gattis was valedictorian and Charline Tansey, salutatorian. Rose LaVerne Beck and

Jack Moss were grammar school honor students.

Hamlin Dry Goods opened with directors W. M. Cecil, Mrs. N. C. Fullerton, W. E. Benson and C. C. Bailey.

Four Square Tri-State Convention To Be Held Soon

Rev. Alice Harrell, pastor of the Four Square Gospel Church of Hamlin, has announced plans for several local representatives to attend the Tri-State convention of Four Square Churches to be held at Lueders June 3, 4 and 5.

Dr. Howard P. Courtney of California will be one of the guest speakers at the convention.

Those planning to attend from the local church are Rev. Harrell and son, Garland Harrell, Mrs. Odell Garrett, Mr. and Mrs. Floyd Farmer, Mr. and Mrs. Waldo Kelsey and possibly others.

Derived from Indian words or phrases. Ohio is an Iroquois word for "great." Kentucky is from the Indian "land of tomorrow." Michigan means "big lake." Oklahoma is the Choctaw word for "red people;" and Minnesota is from the Sioux words meaning "sky colored waters."

Slight Survival Of Cotton Insects Shown for Texas

When one speaks of the cotton insect situation in Texas one immediately captures the interest of Jones County's 1,950 farmers. Latest report on the cotton insect situation in Texas, prepared for county farmers by the U. S. Department of Agriculture, follows:

Emergence of boll weevils continues to be very low in Central Texas. At College Station 14 per cent have emerged to date as compared with 3.54 per cent to the middle of May in 1946 and 5.84 per cent for the total seasonal survival over the past 10-year period.

During the past week three weevils were found in two of 13 fields inspected at Waco.

No weevils or any punctured squares were noted in Cameron, Hidalgo or Willacy Counties of the Lower Rio Grande Valley during inspection of 75 fields to determine the flea hopper infestation.

Flea hoppers are not as abundant as last year in the Valley counties at this time. Only two of the 75 fields inspected had sufficient infestation to justify control measures. Both of these fields are in Willacy County. Although the flea hoppers are in comparatively small numbers in most fields, considerable dusting is being done to control them. Since plant lice have caused more damage than usual and flea hopper infestations are generally low, sulphur or sulphur mixtures should be used rather than DDT alone. The use of DDT alone is quite likely to result in increase of aphids or plant lice because it reduces the number of beneficial insects which usually prey upon the aphids.

Figures recently released by the Bureau of Agricultural Economics show that insects in 1946 caused a reduction of 15 per cent from full yield per acre of cotton in Texas as compared with 18 per cent in 1945. Last year boll weevils were responsible for 10 per cent of the reduction and other insects for five per cent.

Mrs. Housewife, Go Easy on Sugar!

You must continue, Mrs. Housewife, to go easy on the sugar!

There will be no sugar stamps issued this year for home canning purposes.

As consumers start using the sugar made available by a new 10-pound stamp April 1, the Texas A. & M. College Extension Service cautions that the sugar bought with the new stamp will have to take care for the home canning will be issued this summer.

Miss Gyendolyn Jones, extension food preservation specialist, explains that this situation does not mean that each consumer will get less sugar this year.

Actually each person will get 30 or 35 pounds this year in comparison with only 25 pounds last year. In the past, the OPA issued stamps at regular intervals for regular table use, and, at canning time, issued the canning sugar stamps.

Mr. and Mrs. A. B. Carlton attended "The Creation" in Abilene Sunday evening.

A Man of His Word
Tenant—"Sorry, but I can't pay you this week."
Landlord—"But you said that last week and the week before that and the week before that."
Tenant—"Well, didn't I keep my word?"

STOP DOSING YOUR STOMACH FOR CONSTIPATION...

WHEN constipation hangs on and you have that listless, "half alive" feeling chances are it's not your stomach but your intestinal tract that's at fault. Sluggish intestinal muscles permit waste to accumulate... gas is formed and often you feel miserable, nervous and out of sorts.

For real relief... take the new, improved, ADLERIKA the Tose-Up laxative. It moves waste quickly but gently to relieve constipation and gas. You'll enjoy a new feeling of pep and vitality when your digestive system is in perfect order. Try ADLERIKA today and you'll learn why over 20,000,000 bottles have been sold. Caution: take only as directed.

POT-SHOTS FROM McCauley

BY GEO DARDEN

Thanks to Reed Young of Cisco for a renewal to The Herald.

Mrs. A. M. Elvens mails in her pledge of \$5 for the cemetery fund, our goal for the year is \$500. to put the cemetery in good condition. Please mail your pledges now. Or if you like make your deposits in the F. & M. National Bank to McCauley Cemetery Fund.

Relatives from Louisiana and New Mexico visited the J. P. and J. M. Humphries families last week.

Rufus Herbst is "sporting" a new Chrysler New Yorker automobile—she's a honey.

Mrs. M. A. Darden from Girard and mother of this scribe is looking after her crippled off-spring and his children in McCauley.

Farmers of this community are counting the days when the rain will let up enough for them to get in their fields.

Most of the sick and cripple of the community are on the mend, however a few remain in hospitals.

S. E. Miers returned Saturday from Fort Worth and Cisco where he has been visiting his children, Charles and Sherry Elvens of Fort Worth, his grandchildren returned home with him for a few weeks visit.

Mr. and Mrs. Kenneth Mason, the daughter and baby from Houston have been visiting in the home of his mother, Mrs. Flora Mason in McCauley.

Will (Bear) Walker old time colored citizen of McCauley passed

away two weeks ago after a long illness. He was owner and operator of the "Tin Shack" a hotel and Cafe for colored folks.

Rev. C. E. Dick pastor of the McCauley Baptist Church for many years has resigned as pastor. He plans to retire after many years of faithful service. He will continue as pastor until another is called.

The high school junior and senior classes along with their sponsors left Monday by school bus for their first sight seeing trip since before the war. They will visit Austin, San Antonio, Galveston, Houston and Old Mexico and plan to be gone a week.

The story of the biggest "short horse race in history" appeared in last week's issue of Time Magazine. The place was Del Rio, a matched race between Shue Fly, a ten year old champion of the quarter horses owned by Helper Brothers of Carlsbad, New Mexico and Miss Princess owned by the millionaire Robert Klegberg of the King Ranch. Miss Princess a four year old mare won by a length and \$300,000 changed hands in 22.3 seconds according to Time Magazine. And the State of Texas got no revenue. It's a good story and on page 50 of Time in the last week's issue.

There should be a law in Texas whereby every owner of an automobile would have to carry public liability insurance. By having such a law, every citizen would be protected in case of a car wreck as far as the money is concerned. In fact the State of Texas could go into the insurance business and if such a law was enacted the rates would be cheaper and all would be protected. Many laws are passed each year but none as important as a law that would protect our citizens rich or poor from unfortunate car wrecks that happen every day on our high ways. Yes, car owners should have to buy their liability insurance each year they buy their car tags. A law is in force in the State of Utah. It should be in force in Texas.

'Motor Memories' of Henry Ford

The warmth of 50 years' friendship attaches to this hitherto unpublished snapshot of Henry Ford and Eugene W. Lewis (right) Detroit author, taken at Richmond Hill, the Ford Georgia plantation. It appears in print in "Motor Memories" (Alfred, of Detroit, Inc.) Mr. Lewis saw book about automotive pioneers he knew so well. The sweater and shirt are of Mrs. Ford, "The Believer," who was constantly at his side even unto the death of Henry Ford April 7 at the age of 83 years.

Blessed Events

Mr. and Mrs. Eddie L. Horne of Albuquerque, New Mexico are the parents of a daughter, Cheryl Lou, born on May 19. Mrs. Horne is the granddaughter of Mrs. Dan W. Stephens of Hamlin.

Four Square Ladies Meeting Friday Afternoon

Mrs. Odell Garrett will bring the devotional at the ladies meeting at the Four Square Gospel Church parsonage Friday afternoon beginning at 2:00 p. m.

Every woman is invited to attend this meeting.

Rev. W. J. Benson of Lamesa will be the principal speaker at the Youth Rally at Mt. Zion Friday.

Go To Conference

Dr. Will C. House, pastor of the First Methodist Church, and Ed Bailey, delegate from the local church, left Wednesday to attend Methodist conference at Amarillo. Billy Franks will represent the youth of the church at the Boy's conference.

Herald Early!

The Herald was printed on Wednesday afternoon, instead of Thursday, this week, due to the postal holiday Friday. Cooperation of advertisers and people with news stories made it possible for the paper to be printed early. There will be no rural mail delivery on Friday.

Regular publication schedule will be resumed next week.

PIANO LESSONS taught by Mrs. L. B. Baker, starting Monday morning June 2 in her studio at the high school. 1p

Mr. and Mrs. B. King had as their week-end guests their children, Mr. and Mrs. M. W. Humphreys of Wichita Falls and Geneva King of Stamford.

Victor Hartwig of Dallas has moved to Hamlin and is a barber here.

Mr. and Mrs. Harold J. Nelson of Abilene have spent the past nine days here with her mother, Mrs. M. C. Wilson, who is ill with arthritis.

Completion Brings New Oil Pool Near Hamlin

Completion tests on a wildcat four and one-half miles northwest of Hamlin indicate a new oil pool for this area, it has been announced.

A potential gauge of 22 barrels of 37 gravity oil per day with 89 per cent water has been filed for Fisher County's latest prospective new pool opener. The well is the Texas & Pacific Coal and Oil Co. 1-A J. B. Young, 330 feet from the south and 3,050 feet from the west line of W. E. Kaye survey 3. The test was on pump from line pay at 3,106-15 feet which had been treated with 1,000 gallons of acid.

Four Hamlin Students Finish At HSU June 2

Four students from Hamlin, will receive degrees from Hardin-Simmons University this spring, Mrs. J. A. Pearl, university registrar, has announced. They are: Bill Scott, Frances Ubben, Koleta Clements and Bertie Ida Agnew.

Scott, son of Mrs. Frances Scott, will receive a Bachelor of Science degree with a major in Physical Education and a minor in History. A veteran of five and one-half years with the field artillery, he was elected to the highest office offered a student in last year's student elections when he was selected for the Presidency of the Student Council. He was captain of last year's Cowboy basketball squad and a member of the Who's Who in American Universities and Colleges.

Frances Hermena Ubben, daughter of Mr. and Mrs. J. Ubben, will receive a Bachelor of Arts degree for work done in Speech and English. She has been active in university activities for her four years at Hardin-Simmons. Student activities in which she has participated, 1945; H-SJ Cowgirls president, 1947; University Players, president, 1945; Head of executive committee of Players, 1947; Treasurer of Senior Class, 1947; Oratorical and Debating Council; Who's Who in American Universities and Colleges and her senior year was runner-up in the student election for University Queen.

Miss Koleta Clements daughter of Mr. and Mrs. Ira A. Clements, was a major in English and a minor in business Administration. She has served as secretary of the Life Service Band, a member of the Smith Hall Council and Baptist Student Union executive Council and president of Alpha Chi.

Miss Bertie Ida Agnew daughter of Mrs. Dora Agnew has a major in Elementary Education and a minor in Bible. A transfer student from Wayland College and Sul Ross State teachers she plans to do educational work in the church after her graduation.

Commencement exercises for the 1947 graduating class will be held in Behrens Chapel Monday night, June 2.

Baccalaureate services will be held on Sunday night, June 1, at the First Baptist Church, Abilene.

Interest Growing in Appreciation Day

Good-sized crowds are continuing to attend Hamlin Merchant's Appreciation Day, sponsored by the Hamlin Chamber of Commerce and interest seems to be mounting, according to those in charge of the special trades event.

People from many sections in the vast Hamlin trade territory appear to be glad of the way in which local merchants are showing their appreciation for their patronage. The

More Sugar For Housewives

Household sugar shortage problems are being eased rapidly. The Agriculture department came up with this good news for the housewives:

1.—Spare Stamp No. 12 in ration books may be used for 10 pounds of sugar immediately rather than on June 1 as previously announced;

2.—A new rationing stamp good for 10 pounds will be valued not later than August 1, and

3.—If the sugar picture continues to improve the individual consumption or consumer can get more sugar than the 35 pounds previously allotted him for 1947.

Methodist Church Vacation School Opens Monday

Vacation Church School at the First Methodist Church will begin at 8:30 Monday morning, June 2. Classes will be held each morning from 8:30 to 10:30 through June 8.

The four and five-year-old pupils will be under the leadership of Mrs. D. O. Sauls and Mrs. Henry Jackson. An interesting course of study, play, devotion and construction has been outlined for this group.

Mrs. Fred Smith and Mrs. Brad Rowland will be in charge of the six, seven and eight-year-olds. The course of study, "We Go to Church." The program for this group will be varied with singing, scriptures, recreation, and construction work.

The Juniors, nine, 10 and 11 years of age, will be directed by Mrs. Lawrence Denton and Mrs. V. V. Anderson. "People who lived in Jesus' Day" is the chosen study course for this group. Much supplementary material will be used to make all of the work appealing, while directed games, handwork and singing will be given a large part in the schedule.

In the Intermediate group—12, 13 and 14 years of age, Mrs. Tom Teague will present the course of study "Becoming a Person." Recreation will be directed by Mrs. Gordon Bennett. Mrs. Joe McCrary will direct the music and teach church hymns. Mrs. John Dixon Ferguson will conduct a class for the girls in "Charm and Home Development." Mr. Blankenship will direct the boys of this group in a manual training class.

The pastor of the church will visit each group frequently and will address each group once on the subject, "The Child's Place in His Church."

Saturday afternoon, May 8, a picnic will be held at the City Park for the entire Vacation Church School. Parents, make it possible for your children to enjoy this week of study and wholesome association. Your cooperation will be greatly appreciated by the pastor and the leaders of the school, and your children will be greatly benefited.

To Attend Council

Rev. and Mrs. Paul Joyner will attend the Assembly of Churches annual district council in Brownwood June 2 to 6.

NOTICE

There will be preaching every Saturday afternoon on the streets of Hamlin at 2:30.—J. B. Turner.

"The Champ" and His King-Size Trophy

Pictured above with a triumphant smile is Sid Meadors, a Santa Fe engineer, with the Abilene Reporter-News trophy awarded him for winning the 15-county West Texas Bass Rodeo. Meadors pulled his 10-pound catch from the old Lake Hamlin on May 6 and brought it to The Herald office for official entry into the contest.

Construction On New Hospital Progressing

Construction work on Hamlin Memorial Hospital is going forward at a rapid pace this week. Those in charge feel the building will be completed and ready for furnishing in early July.

Workmen are now building inside partitions and walls and fitting rafters in preparation for roofing work. The building is rapidly taking shape and all interested citizens of the community are urged to drive by and look over the project.

In connection with the project the committee in charge made the following statement this week:

"This week Certificates of Membership in the Hamlin Memorial Hospital were issued to D. J. Herbst, whose name was omitted from the list of last week. Also this week Travis Connor received his Certificate."

"The next list of certificates will be issued on the week following the 15th of June."

"Please, folks, if you care to look out on the hospital by taking out a small share, do so, and don't wait. Begin your membership as low as \$10. If you can't spare \$50, all at once. This is your hospital, and the sooner we join hands and measure up several hundred families who are interested in relieving the medical situation in this community, the more it will encourage doctors to want to join the hospital staff."

"It is the hope of the directors to be able to announce what doctors have charge of the hospital by June 15 or 20, if not before. Remember this is to be a 'regular' hospital, approved by the Medical Profession of Texas."

"Visit the building under construction, we believe you will like it."

Revival Continues Through Week at Assembly of God

Good attendance is being enjoyed at the revival meeting in progress at the Assembly of God, according to the pastor, Rev. Paul Joyner.

Evangelist C. U. McMullen is preaching each night with special music by him, his wife and their two children.

The services begin at 8:00 p. m., and the public is invited to attend these closing services.

Mrs. Bill Rountree visited her daughter, Mrs. Tommy Ellis, in Abilene Sunday and attended the Chanter's presentation of Haydn's 'The Creation.'

Jaycees Sponsor Swine Program

Hamlin Junior Chamber of Commerce, following the example of the other civic organizations interested in improved agriculture and livestock activities in this area, has decided to sponsor a hog-raising program. The Jaycees have voted to buy a pure bred hog and give it to an outstanding boy in the Hamlin FFA chapter who has made good on swine production. The plan is now being worked out and details are expected to be announced soon. It will be much like the Jersey heifer program sponsored by the senior chamber.

Officers of the Jaycees recently elected for the coming year include: J. C. Turner, president; Travis Hash, first vice-president; L. J. Cunningham, second vice-president; H. E. Lawson, secretary-treasurer and Lovell Stell, state director.

Wise Chapel Leads Pack In Softball

Wise Chapel's softball entry holds the lead in the Hamlin Softball League this week with V. F. W. close behind in second and General Crude and Celotex in third and fourth place, respectively.

Last Thursday night Celotex downed Hamlin Independents 10-6, VFW turned back General Crude by 7-2. Friday night Wise Chapel goose-egged Plainview 10 to 0 and Sylvester walloped the Independents 12 to 8. Monday night Celotex nosed out VFW 6-4.

This Thursday night pits Wise Chapel vs. Sylvester and Independents vs. General Crude.

Other games for the next week include:

Friday—Celotex vs. Plainview, and Girl's game.

Monday—VFW vs. Wise Chapel, Celotex vs. Sylvester.

Tuesday—Girl's game, Wise Chapel vs. General Crude.

Oscar Potter Dies at Anson

Oscar Potter, 66, died suddenly Monday at Anson following a heart attack.

Funeral services were held Tuesday afternoon at 4:00 p. m. at the Anson Church of Christ.

Mr. Potter was an uncle of Mrs. J. E. Crow of Hamlin, and he had resided in Jones County for many years.

Growers Ready Combines For Bumper Wheat Harvest

Rev. Crawford Addresses Seniors At Baccalaureate

Rev. J. T. Crawford, pastor of the Church of the Nazarene, addressed the graduating class of Hamlin high school Sunday evening at the baccalaureate service held at the high school auditorium.

He chose for his subject, "The World's Greatest Quest." In explaining that this quest was happiness, he named the many things that people seek to attain such as wealth, social distinction and political prominence.

Then he answered the question "What Is Happiness?" by first naming the things which do not provide happiness—fame, unbelief, pleasure, military glory, possessions, social highstanding, etc.

"Christ tells us in Matthew that happiness is not born of what we have or don't have but is born of what we are, in saying blessed are the poor in spirit, the meek, those which do hunger and thirst after righteousness, the merciful, and the pure in heart", Rev. Crawford pointed out. "Happiness does not consist in the multiplication of one's wealth but rather in the subtraction of one's desires".

He quoted the Greek philosopher Diogenes, "A man's happiness best promoted by the decrease of his wants, rather than by an increase in his income".

He emphasized that the Christians' desires are bounded by the will of God.

In conclusion he related the story of the colored man, alighting from a merry-go-round, who was met by his wife with this accusation, "Now look at you; you spent your money, you got right where you got on, and you ain't been nowhere." He added that was the description of most modern living, a senseless whirl.

"Seek the thrills God Gives—Joy unspeakable and full of glory."

There is no morning aftertaste to the job of the Lord."

Texas City VFW Thanks Local Post

Mainland Post 3216, Veterans of Foreign Wars, of Texas City has sent the following letter of appreciation to members of Hamlin Post 6014 for their recent assistance:

Earl Smith Quartermaster Post 6014 VFW Hamlin, Texas Dear Comrade Smith and Comrades:

We wish to acknowledge receipt of your check in the amount of \$70, which was sent to the Mainland Post 3216 of the Veterans of Foreign Wars.

This contribution you have so generously given during our time of great need is deeply appreciated, and our sincere thanks to the Comrades of your Post. The kindness and thoughtfulness of our Comrades and Sisters in this disaster will never be forgotten.

Yours in Comradeship, Harvey F. McGinnis Commander Post 3216 Texas City, Texas

Tommy Carpenter To Camp Tonkawa

Tommy Carpenter, son of Mr. and Mrs. Fred Carpenter, has been chosen as one of the 15 senior scouts to serve on the Camp Tonkawa Service crew for the month of June.

He left Wednesday to assume his duties.

Mrs. C. P. Amerson is now at the family home after treatment in a Stamford hospital and is reported getting along nicely.

Rio Grande Catch

J. W. Harless

J. W. Harless really has something to brag about when he tells about catching this 80 pound catfish in the Rio Grande River recently.

He made the big catch while on a vacation trip to the Big Bend country.

First Baptist Vacation Bible School June 12

Plans are being completed for the annual Vacation Bible School at the First Baptist Church, according to the pastor, Rev. John H. Osteen, who will be director of the work. Classes will begin Monday, June 9 and continue through Friday, June 13.

All Hamlin children from nursery age through intermediates are extended a cordial invitation to attend these classes, which will include recreation, handwork, memory work, Bible stories and other activities.

Registration will be held Saturday, June 7 from 9 to 11:00 a. m. in the morning. Moving pictures will be shown and refreshments will be served. Those who can not be present Saturday, may register Sunday. It is hoped most of the group will be enrolled before Monday morning to avoid so much confusion to start the school.

Mrs. J. L. Altum will be superintendent of the beginners department, Mrs. A. G. Irwin, the primary department; and Mrs. Ovid Lawlis, the intermediate group. A leader for the junior department is yet to be secured. Co-workers and teachers are being signed up and any lady who is willing to work in this school is urged to notify the pastor or some superintendent.

Mr. and Mrs. Bonnie Smith will assist with the school work.

104th Grand Jury Returns Seven Bills

One indictment for murder, one for burglary and five for forgery were returned by grand jurors in 104th district court this week.

Frank Brown was charged with the murder of Hannie McGee. The alleged offense occurred in Stamford on or about April 25.

Charges of burglarizing the filling station of Roy W. Mauldin, were returned against Cornelius Hall, Hamlin.

Two indictments were returned against Elbert Smith, Wichita Falls,

First Grain Sold In Local Market Monday for \$2.50

Railroads Set To Haul Crop

There were combines to the left and combines to the right this week in Hamlin as wheat farmers of this area, large and small, rapidly completed preparations for harvesting a "bumper" wheat crop. Observers of years standing predict it will be one of the largest, if not the largest, wheat crops ever harvested in this section.

Heavy rains of the past few weeks came just about the right time and since the last rain, the dry, warm days have been just what the doctor ordered.

First of the new crop wheat to be delivered to the Hamlin markets was a load of 63 bushels produced by J. T. Smith of the Plasterco community. The wheat graded No. 1 with 12.07 per cent moisture content and weighed 60 pounds per bushel. This wheat was delivered to the Harden elevator Monday and brought \$2.50 per bushel.

The first of the new crop of oats were brought in Saturday by Jerry Maberry. Due to the moisture no price was established, it is said. The P. B. Moore Grain Company bought some oats Monday from J. H. Walsh that weighed 34 pounds with 10 per cent moisture. They brought 85 cents per bushel.

Big push is expected to start early in June and if growers continue to get the breaks the harvest spotted get the breaks the harvest will be completed in record time. Some of the farmers are still reporting spotted hail damage.

Wheat belt railroads reported Wednesday they were ready to handle the 1947 harvest to pass a billion bushels.

Santa Fe elevator capacity has been increased and storage facilities now are generally empty and ready for the new crop. Junction points in Texas are getting a steady flow of cars from the east and plenty of cars are expected to be available in Hamlin to handle the crop.

The Katy has promised its lines would be ready to move wheat "with quickest possible dispatch."

Plans Underway For Church of Christ School

Plans are being made for a Vacation Bible School at the Hamlin Church of Christ, according to J. Cleo Scott, minister. The school will be held from June 16 through 20.

Teachers and workers are being secured and definite plans will be announced soon.

Go To California

Mr. and Mrs. Onis Crawford and son of here and Mr. and Mrs. San Crawford of Stamford left early Friday for California, where they will spend 15 days visiting relatives and points of interest.

Foundation is being laid for the new home of Mr. and Mrs. W. L. Boyd Sr. on Union Street.

Entered at the Post Office at Hamlin, Texas, for transmission through the mails as Second Class Matter, according to an Act of Congress, March 3, 1879.
Any erroneous reflection upon the character of any person or firm appearing in these columns will be gladly and promptly corrected upon being brought to the attention of the management.

quitos in Hamlin, we must cooperate with the request that we make sure no water is standing around our residence or business house. We were assured that the river would be treated to rid that body of water of this pest.

Along this same line, we would like to mention the magnificent job that small town of Italy did last Wednesday in cleaning up and beautifying the resident and business section. Our brother-in-law, Russell W. Bryant, of the News-Herald, did a grand piece of promoting and publicizing the project and the whole citizenry pitched in and made a big success of it. All of that goes to demonstrate just what can be accomplished if everyone gets behind a project.

A good face washing and lifting might help Hamlin's appearance. What do you think?

We made another discovery too. The City Council had the same idea that we did in that Hamlin needed some traffic lights, but in a consultation with an official of the highway department they were told that if sufficient officers were not supplied to enforce the laws, they would make driving more hazardous. We are sure these men know of which they speak, but why couldn't our little city have two highway patrolmen stationed here. We believe it could be obtained if the citizens let the highway department know that they desire such action. We have seen it happen elsewhere. Reckless drivers and would-be law-breakers respect those uniforms. They would be an asset to our town.

Rev. John Osteen has publicly admitted that his wife, Jean, is smarter than he. Or at least that is the way it looks on the surface. He has informed The Herald that the Misses will write the articles European countries. The only trip to Denmark, and other for publication while they are on explanation he gave is that she can describe more vividly the scenery, people, etc. It takes a mighty unusual man to admit his wife can outwit him in anything. We are happy Mrs. Osteen is willing to write for us.

Now that school is out, what are you young people going to do for the next three months. Many will go to work, which is commendable. If you don't take a job, you can find something worthwhile to busy yourself with. You have heard that age-old saying, "An idle brain is the devil's work shop." Let's don't give him the opportunity to go to work, whatcha' say?

Sixty-four young people marched into a new world Tuesday evening when they received their diplomas. For many it was the end of their directed study, but we hope it isn't the finish for study and self-education. There is no limit to such instruction. For those who have the opportunity to further their study at college, they must use the above type of education by leaning to apply themselves to every responsibility and advantage which confronts them. All must learn to distinguish the true values of this world.

(If anyone should be so complimentary as to even hint that the above was copied from one of the commencement or baccalaureate addresses, we would hurry to state that this was written Friday preceeding such events. So there!)

Makes our heart glad to hear call the writer by her first name since we started this column. If nothing better has been gained than that, we would say it has not been in vain—makes us feel we are one of you.

Wish you could have seen the huge beautiful trophy that Sid Meadors received for catching that 10-pound bass. It is really a

beauty. Think we will talk him into displaying it in our window. He should be given special recognition by Hamlin.

Received a letter from Mrs. Clyde Lamotte, former Louise Reynolds, which is quite interesting:

"My husband and I had a hearty laugh at the predicament you were in a week or so ago when your newly acquired linotypist 'flew the coop', as you described it.

Clyde is a reporter and feature writer on the Houston Post. At the time your 'apologies' reached us we were pondering over the pros and cons of a small town weekly that was at that time for sale. Of course, we wanted only to better ourselves, we were weighing the thing from all sides. One feature we were leary of was that it would be very difficult to haul a good union man to the paper at a salary

that we could pay. Your experience along with a substantial raise from The Post settled the question. Clyde decided to stick with the Hobbits and let them get the grey hairs. Luck to you."

Smart man!

SEES WITH ELECTRONIC EYE

Blind since he was shot down in one of the early Fortress raids over Germany, John Paul Moriarty has returned to work at the Timken Roller Bearing Co.'s Canton plant, thanks to a war-time developed electronic gauge which enables blind workers to inspect precision parts as rapidly and efficiently as a sighted person.

Timken officials said they began working on the development as part of a plan designed to provide postwar jobs for handicapped veterans. Leaders in rehabilitation work hail this as a far reaching step in their program to make the handicapped independent and self-supporting.

The gauging machine now operated by the veteran uses sound as a substitute for sight. By distinguishing between oscillating notes from a small loudspeaker, attached to the machine, the blind operator is able to tell whether the bearing being measured is proper or defective.

The smiling Moriarty, except that he wears a red cap, would not be noticed by the visitor. The girls working on the same production line have only one complaint,—he works too fast.

Moriarty and his wife, Catherine, have three children, Cecelia, Anne, 21 months, and the twins, Kathleen and Maureen, now one-year old.

Most Communicable Diseases Can Now Be Held in Check

If every case of suspected communicable disease in this area could be promptly visited either by the family physician or the local health

officer, thousands of susceptible persons would be protected from disabling illnesses, according to the state health officer.

To quote Dr. George W. Cox, "The old fashioned theory that it is a good thing for children to have a number of the catching diseases and get them over with, has long since

been known to be a serious and sometimes fatal error. The longer a child can keep from having these diseases the better it is for him. Every child should be completely protected by vaccination or inoculation against any such diseases where an immunity can be produced."

Prompt diagnosis, isolation, good medical and nursing care give the patient the best chance for a satisfactory recovery without the serious complications that sometimes accompany even the mild forms of communicable diseases. Dr. Cox emphasized that obeying the public health laws regarding isolation and quarantine of communicable diseases protects not only the patient, but helps prevent others from contracting the illness.

"The State Health Department," Dr. Cox said, "is doing everything in its power to protect the health of the people of Texas. The cooperation of every individual in protecting his own health, and that of his community, will do more than anything else to help check the spread of communicable diseases."

Mr. and Mrs. Donald Bryant and Mary Beth and Mrs. J. H. Burke, spent Sunday with Mr. and Mrs. Ray Moss in Plainview community.

Warm weather encourages growth of bacteria in milk. Clean milk cooled quickly gives quality.

Pointers Given on Best Methods of Canning Berries

With berries becoming more plentiful, Hamlin area housewives may wish to clip the following recipes for use during the weeks ahead.

Berry Juice

Berry juice canned with a little sugar makes good drinks and ices. Crush and heat berries nearly to boiling. Add a cup of sugar to a gallon of juice. Heat the juice to boiling, pour into hot jars, seal and process in water bath 15 minutes. Remove from water bath to cool.

Strawberries

Strawberries are not as good canned as preserved. You might like to use this standard strawberry preserve recipe:

Boil two cups sugar and one cup water together until it begins to form a thread. Add one pint of strawberries and cook 10 minutes. Add another pint of strawberries and one cup of sugar sprinkled over the top. One tablespoon lemon juice added at this time helps retain color. Boil 10 minutes, or until it reaches a jelly stage. Remove them from the fire and shake the kettle gently until the foam collects in the center and can be easily removed. Then pour into a flat pan or bowl and let cool before putting into hot, clean containers. Cover with paraffin and seal at once. Label and store in dry, cool, dark place.

Freezing Berries

Frozen berries have more food value than when preserved in other ways. Berries make a fine frozen product if you start with good fresh berries, prepare them carefully, package and store them correctly.

Leave all small berries whole. Large strawberries should be sliced. Use about one cup sugar to six cups berries. They may vary some with different varieties of berries. Sift the sugar over the prepared berries. The sugar will draw juice from the berries and make their own syrup.

Pack into containers which are moisture-proof and liquid tight. You may use glass jars, R enamel tin cans or regular frozen food cartons. When packing food, leave headspace of about one-half inch. Glass jars and tin cans will be sealed the same as when canning. Frozen food cartons should be sealed by directions given for each type carton.

Applications for Sugar Accepted

People in the Hamlin section are advised application by letter may now be made for sugar ration books for infants, persons discharged from the armed services and for replacement of mutilated books.

Sugar Rationing Administration announces applications will be accepted by J. Bryan Miller, Fidelity Building, Dallas 2, Texas.

Those who have inquired about ration books are told applications for replacements must be accompanied by the mutilated book.

No charge is made in the requirement of a formal application for replacement of lost or stolen ration books—except that a new form, combining OPA forms R-146 and R-194, is provided. The combined form is SRA Form R-218.

All letters requesting new ration books, Hamlin area folks are informed, must contain the applicant's name and address, a statement that the applicant is an infant or a person discharged from the armed services, or a statement that the ration book has been mutilated.

Mrs. J. C. Randal of Abilene visited Mrs. S. D. McMahon Sunday.

Mr. and Mrs. Jack Wilson and Rany of Abilene visited his mother, Mrs. M. Y. Wilson.

Dr. and Mrs. Brandon White and children of Stephenville spent the week-end with her mother, Mrs. Richardson.

The beauty of holiness has done more, and will do more, to regenerate the world and bring in everlasting righteousness than all the other agencies put together.—Chalmers.

How women and girls may get wanted relief from functional periodic pain

Cardul is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.

2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardul. If it helps, you'll be glad you did.

SOCIETY

Miss Ouida Myrle Withers Honored at Tea in Kingsville

Mrs. Grogan Turner returned Saturday from Kingsville, where she attended a gift tea honoring her sister, Miss Ouida Myrle Withers, bride-elect of Malcolm Howard Hudson of this city.

The tea was in the home of Mrs. P. F. Withers Tuesday evening, May 20. Included in the house party

were Mrs. Lesh, the honoree, Mrs. Turner, Mrs. Morehead, Mrs. Gaines, Bertie Mae England, Edna C. Morgan and Mrs. Kloss of San Antonio.

The table was laid with a beautiful handmade cloth centered with a wedding ring of gardenias and pink lilies. Tall white tapers

in crystal candelabra were at each end of the table.

The wedding will be performed June 3.

Miss Withers returned to Hamlin with Mrs. Turner for a short visit.

Mrs. A. G. Hudson Celebrates 91st Birthday May 19

Mrs. A. G. Hudson celebrated her 91st birthday Monday, May 19 at the family home. No special party was planned due to the fact that her daughter, Miss Pearl Hudson, had to be in Dallas, but several friends and relatives called during the day to bring gifts and wish her many more happy birthdays.

She was born May 19, 1856 in Tennessee, and came to Texas when she was nine years old, settling with her family in Lamar County. She came to Jones County in 1878.

Thirteen children were born to Mr. and Mrs. Hudson, five of who in 1900 after having been married are deceased.

The children are John Hudson, Pearl Hudson, Jim Hudson, A. Hudson, M. T. Hudson, all of Hamlin; Mrs. J. W. Connell, Phoenix, Arizona; C. D. Hudson, Coleman, Mrs. J. E. Griffin, Lamesa.

Mrs. Hudson has 32 grandchildren.

Rosalie Bogle And Alvin Connor Married Sunday

Miss Rosalie Bogle became the bride of Alvin Connor Sunday afternoon in a single-ring ceremony read by Rev. John H. Osteen, pastor of the First Baptist Church. The wedding vows were read at the home of the bridegroom's parents, Mr. and Mrs. Tom Connor.

Mr. and Mrs. Connor will make their home here.

Leta M. Spencer And Jesse Phelps Married Sunday

Miss Leta Mae Spencer, daughter of Mr. and Mrs. R. B. Spencer, was married to Jesse Phelps in a single ring ceremony read Sunday morning at 11:30 at the home of the bride's parents at Celotex. Rev. Paul Joyner performed the ceremony.

A wedding dinner was served to several relatives and friends following the ceremony.

Mrs. W. C. Calhoun and Mr. and Mrs. Lester Wood, of Moody, and Mrs. Bess Miles of Abilene were week-end guests of M. S. H. M. Hoo per.

DENTON.—THE FOUR PRETTIEST GIRLS at Texas State College for Women, according to bandleader Frankie Masters, are top, Shirley Shoemaker, Waxahachie, freshman; Alice Barrett, Lorenzo, senior, and bottom, Kathryn Tice Blankenship, Gainesville, junior; and Hilda Harkness, Texarkana, sophomore. Chosen by Masters in February the winners were not announced until Saturday night at TSCW.

Personal Items

Mr. and Mrs. Okley Christian and son, Dean of Fort Worth were visitors in the home of his uncle, Mr. and Mrs. R. L. Dean, during the week-end.

Bill Irwin, who has been in Colorado and California for the past several weeks, was here this week, for a short visit with his brother, Mr. and Mrs. A. G. Irwin. He went to Austin on a business trip following his visit here.

Mr. and Mrs. Carl Phenix, Mrs. W. H. Parker, Mrs. R. S. Dean and Mrs. Will Andrews were in Abilene Sunday night to attend the McMurry Charter's presentation of "The Creation."

Mr. and Mrs. Carl Phenix and Bryan and Miss Hortense Phenix plan to leave Monday for a vacation trip to points in Colorado.

Elder W. E. Nunn attended the graduation exercises at Jacksonville Baptist College last week and was speaker at one of the closing programs.

Mr. and Mrs. Jack Townley and son, Jack Everett and Mr. and Mrs. Ben Townley, all of Denver City, spent the week-end here with their parents, Mr. and Mrs. Everett Townley.

Mrs. E. M. Herring, who has been visiting with her daughter, Mrs. Jack Townley and family, returned home Saturday.

COTTON'S MAID IS FASHION-RIGHT

It's pretty brunette Hilma Seay of Memphis, Tenn., the cotton industry's 1947 Maid of Cotton. On the left, Miss Seay models a sophisticated black and white cotton gingham daytime dress with bustle at the back and the new longer skirt done by designer Rose Barrack. Above is her official portrait study, and on the right, the Maid shows a three-piece cotton twill sports outfit by California designer Louella Ballerino. The ensemble consists of halter blouse, slim shorts and wraparound skirt. Hilma will show her smart cottons in more than thirty cities in the United States and France.

Utah visited his brother and family, C. C. Cohorn, last week.

H. A. Johnston was able to go to church and attend the baccalaureate services Sunday, which was the first time he had been out since last November.

Mr. and Mrs. T. A. Bailey of Ozona returned home Monday after a week's visit here with their daughter, Mrs. John F. Green, Jr. and family. Their grandson, Johnny Green returned home with them for a visit.

Avoid Expensive Repairs

Watches not inspected and cleaned, at least once a year, usually give cause for serious repair work with greater charges.

You can avoid this by letting us clean and adjust your watch yearly.

Assembly of God Set Goal of 150 At Sunday School

Rev. Paul Joyner, pastor, has announced that the local Assembly of God Church has set a goal of 150 attendance for next Sunday morning. Superintendent J. D. Hall also urges all teachers and workers to contact absentees and invite every member or prospective member to be present.

A special healing service will be held at that church Friday night, it has been announced. The revival services will continue through Sunday night.

Prominent Mason Goes to High Post In Shrine Work

In a news release from the Shrine of North America folks of the Hamlin region will be glad to know that Galloway Calhoun, of Tyler, a distinguished lawyer and

leading churchman, was Wednesday unanimously elected Deputy Imperial Potentate of the Shrine of North America at its 73rd annual convention now in session

Born in Athens, 53 years ago, Mr. Calhoun was educated in the public schools and at the University of Texas, receiving his LL.B. at Cumberland University in 1915 and, in the same year, was admitted to the Texas Bar. He holds an honorary Doctor of Laws degree from Centenary College.

District Attorney, 7th Judicial District of Texas 1920-27, Mr. Calhoun was also First Assistant Attorney General of Texas from 1927 to 1930. He resigned that post to become a member of the Tyler law firm of Ramey, Calhoun & Marsh and is still active in that partnership.

Long active in both branches of Masonry, the York and the Scottish Rite, he holds the highest Masonic degree, the 33rd, and is a member of the Red Cross of Constantine. He was the Centennial Grand Master of Masons in Texas and received the Henry Grand Lodge of Massachusetts.

Past Potentate of Karem Shrine Temple, Waco, Mr. Calhoun will next year become Imperial Potentate of the Shrine of North America, the Order's highest ranking officer.

More than 80 per cent of 1946 automobile accidents in the United States occurred in clear weather. Drive carefully—always!

Jones County Farm Bureau Elects Officers

Officers of the Jones County Farm Bureau Federation were elected at a meeting of them Monday night in the office of H. C. Stanley, county agent.

H. C. Campbell, New Hope, was elected president; W. L. Kirby, Radcliff, first vice president; C. L. Moritz, Pleasant Valley, second vice president; Olin Potts, temporary secretary-treasurer, was asked to continue in that office until other arrangements can be worked out. The organization hopes to have a paid full-time secretary-treasurer.

A constitution and by-laws were drawn up and unanimously approved by the directors. Annual meetings will be held each first Tuesday in August. The charter will be presented at this meeting. The present directors will hold office until September, 1948.

The first vice president will be county membership chairman. Each director will be a member of the membership committee and will conduct the membership campaign in this community as he sees fit, according to the president of the organization.

The next directors' meeting will be the second Tuesday night in June, in the county agent's office. The present 14 directors were elected at a general meeting of the members of the Federation last Friday night in the High School Auditorium at Anson. Roy Nunnelly, Antelope, Nugent and Wilson; Cambel, Avoca and New Hope; Moritz, Pleasant Valley and Swenson; Morris Blakenship, Union and Pleasant Hill; L. V. Ely, Hamlin, Flat Top and Dovie; Potts Plainview and Carlton; Thompson Young, Boyd Chapel; Kirby, Anson, Hanna and Harmony; K. A. Goza, Sincinair, Carpenters Gap and Anderson Chapel; Jess Compton, Sunnyside, Tuxedo and Stamford John Wedekind, Corinth, New Light and Latoka; J. S. Varner, Stith, Warren and Compere; B. A. Stephenson, Truby, Hodges and Midway; Mack Collins, Delk and Hawley.

Directors for the following communities remain to be selected: Hollis Hill, Central and Oak Grove, Lueders and Swans Chapel, Golan, Goodman and Noodle, Center Line, Willow Creek and Lystra.

Mr. Campbell opened the meeting Friday night, expaining the need of a Farm Bureau Federation in Jones County. Marvin Carter state organization director of Waco, gave further information regarding the way the organization functions on a state and national basis.

Raymond McElrath of Coleman, director of district seven, gave a talk on the district set-up. Director DeVaney of Cohama, District 6, spoke on the work the Federation is doing in Howard County. He pointed that 435 families of the 600 farm families in Howard County, that the Howard County group has built one of the finest FFA Labor Centers in this section of the state, and that the Federation sponsors a breeder-feeder association for 4-H and FFA boys.

Sunday School Attendance Good In All Churches

One thousand and twenty-nine people attended Sunday Schools in Hamlin Sunday, according to a survey taken by The Herald.

The First Baptist Church, with an enrollment of 607, had 436 present.

One hundred and seventy-four

attended Sunday School at the First Methodist Church. The Assembly of God Church reported 110 attending.

The Church of Christ had 95 attending their Bible School. And Church of the Nazarenes reported 91 present.

The Calvary Baptist Church had 84 present and the Four Square Church had 39, making a total of 1,039 in all the local churches.

Anyone who is not enrolled in one of these schools is cordially invited to attend the church of their choice next Sunday.

John M. Shaffer of Gentry, Arkansas returned home after a visit here with his daughters, Mrs. John Dana and family and Mrs. John H. Osteen and family.

Most All Farm Products Remain Fairly Steady

Vegetables showed general weakness, but only spots of easiness developed at the southwest, far mmarkets last week, according to a report received by The Herald from the Production and Marketing Administration, U. S. Department of Agriculture.

Late-week easiness in spot cotton markets partly offset earlier advances, and Friday closed only \$1.50 to \$2.30 higher. Spot offerings decreased, but numerous inquiries came in for the medium and higher grades. Crop prospect varied widely by areas.

Light offerings of most grains encountered rather slack demand last week, but the market held firmly to early-week advances of around seven cents per bushel on wheat and corn. Other grains netted no more than a penny or two of difference one way or the other.

Wheat closed Friday around \$2.87 and white corn \$2.04, at Texas markets.

Some poultry eased off a little last week, but fryers held firm. Fully steady earlyweek egg markets developed an easier undertone later on. At mid-week, Fort Worth and Denver paid 37 cents per dozen; Fort Smith 36; Dallas 37-1/2; New Orleans, Oklahoma City, and San Antonio 38; Topeka 39; El Paso 40; Carlsbad, Houston and Shreveport 45.

Most cattle markets paid steady to higher prices last week, but Fort Smith 36; Dallas 37-1/2; New Orleans, Oklahoma City and San Antonio 38; Topeka 39; El Paso 40; Carlsbad, Houston and Shreveport 45.

Most cattle markets paid steady to higher prices last week, but Fort Smith 36; Dallas 37-1/2; New Orleans, Oklahoma City and San Antonio 38; Topeka 39; El Paso 40; Carlsbad, Houston and Shreveport 45.

Spring lambs strengthened at Oklahoma City and Wichita, but sheep and lambs sagged mostly 25 cents to \$1 or more at other southwest terminals. Good and choice spring lambs moved mostly at \$20 to \$22.50 at Fort Worth; \$22.50 to \$23.25 at Oklahoma City; and \$23.25 to \$23.75 at Wichita. The choice spring lambs brought \$23.75 at Denver.

Hog markets showed spots of weakness at all southwest markets, but some classes held steady or netted slight gains for the week. Closing bulk of good and choice butchers sold at \$23.75 at Fort Worth. Practical closing top was \$23.75 at Oklahoma City; \$24. at Denver; and \$25.15 at Denver. Weeks top at San Antonio was \$23.

Youth Rally at Mt. Zion Nazarene Church Friday

Representatives from eight of Churches of the Nazarene will meet at the Mt. Zion church Friday afternoon for a youth rally. Rev. J. T. Crawford, local pastor, has announced.

Those planning to send representatives are Abilene, Hamlin, Sweetwater, Stamford, Buffalo Gap, Merkel, County Line and Mt. Zion.

Any local young person who would like to attend is invited to do so.

COTTON QUIZ

WHAT IS THE LEGAL WEIGHT OF A BUSHEL OF COTTONSEED?

ANS.—IN TENNESSEE, A BUSHEL OF COTTONSEED LEGALLY WEIGHS 55 POUNDS; IN MISSISSIPPI, 55 LBS.; IN ARKANSAS, 55 1/2 POUNDS. FARMERS DON'T ASK TO TENNESSEE TO SELL THEIR SEED HOWEVER, AS SEED ARE SOLD BY THE TON.

I GIVE YOU TEXAS by Boyce House

A bill has passed the House almost unanimously to appropriate \$1,500,000 to create a new four-year technological college. Whose idea is this? Had you heard anything about it? Texas Tech at Lubbock is a great school so is Texas College of Arts and Industries at Kingsville. Why not send tech students to one of these highly successful colleges?

Just a few weeks ago this columnist visited A. & I. and it is a fine school but is greatly in need of buildings for the excellent technological equipment it has—electrical, aviation, oil and gas equipment.

Instead of starting a new four-year college, why don't we first provide the buildings and other needs of the colleges already in existence? The University of Texas, A. & M. and our other state schools have largely gone without new buildings since 1941. They are bursting at the seams. They are crowded with veterans enrolled under the GI Bills of Rights.

Another thing: This Legislature already has appropriated \$2,000,000 for a new university for the negroes. Isn't one big school in one year enough for the state to start?

And that \$1,500,000 for the proposed new technological college will only be a starter. Don't doubt it; give 'em that and it won't be long till they'll be back for more.

The governor warns that the state treasury is not going to have enough money to pay for all the things the Legislature is voting. Which do the people of Texas want a new technological college—or more pay for our public school teachers?

A new technological college—or some farm-to-market roads?

Do the people want another four-year state college—or doing something for the elderly who are having to get by on 80 cents a day when the cost of living has gone up 75 per cent in the last few years?

Life and goodness are immortal. Let us then have our views of existence into loveliness, freshness and continuity, rather than into age and blight.—Mary B. Eddy

Last year 30 per cent of all persons killed on America's streets and highways were pedestrians. Watch while you walk!

Another New Appreciation Day Merchant

Hughes Men's Store has been added to the fast growing list of Appreciation Day Merchants, according to Mrs. E. M. Wilson, secretary of the Chamber of Commerce.

This makes a total of 57 merchants participating in the event and four donors.

Mrs. J. C. McCarley of Mathis is a guest of her sister, Mrs. S. D. McMahon.

SILENT GAS REFRIGERATOR

Only one with no moving parts in its freezing system.

Saves

Saves THROUGH LOW RUNNING COST

One Penny's worth of Lone Star Gas operates a Silent Gas Refrigerator from 8 to 10 hours.

Saves THROUGH SILENCE

A tiny gas flame does all the work of moving parts.

Saves THROUGH FREEDOM FROM WEAR

No moving parts in the freezing system means no parts to get noisy or need repair.

Saves THROUGH LONG LIFE

Its freezing system is unconditionally guaranteed for 10 years.

See Your Gas Company or Dealer

New Servel's are just as roomy as they are good-looking. For instance, the 8-foot model holds up to 60 packages of frozen foods. Shelves are of plastic and rust-proof.

Lone Star Gas Company

Mr. and Mrs. L. H. McBride attended "The Creation" at McMurry College Sunday evening.

Mr. and Mrs. Buddy Withers of Pecos and Mrs. Eual Leib of Albany spent the week-end with their mother, Mrs. J. C. Withers.

From Our Early Files

May 28, 1937

Miss Jacqueline McCoy was awarded third place in the Veteran's of Foreign Wars amateur contest in Abilene with her accordion, and will be sent to the Frontier Fiesta in Fort Worth.

F. E. Cauble caught a six pound, two ounce bass in Hamlin City Lake.

Betty Mercer and Howard Royce Via were married May 16 in Anson. Lula Mae White and Paul White were wed January

30, it was announced. Hattie Jo Bryson and Harold Heard were united in marriage Friday.

May 26, 1922

J. W. Sanford and Mrs. Evelyn Lambert were married in Fort Worth Monday.

Fourteen graduates will receive diplomas Friday, June 2. This is the largest senior class in the history of the school. Miss Lorena Gattis was valedictorian. Rose LaVerne Beck and

Jack Moss were grammar school honor students.

Hamlin Dry Goods opened with directors W. M. Cecil, Mrs. N. J. Fullerton, W. E. Benson and C. C. Bailey.

Four Square Tri-State Convention To Be Held Soon

Rev. Alice Harrell, pastor of the Four Square Gospel Church of Hamlin, has announced plans for several local representatives to attend the Tri-State convention of Four Square Churches to be held at Lueders June 3, 4 and 5.

Dr. Howard P. Courtney of California will be one of the guest speakers at the convention.

Those planning to attend from the local church are Rev. Harrell and son, Garland Harrell, Mrs. Odell Garrett, Mr. and Mrs. Floyd Farmer, Mr. and Mrs. Waldo Kelsey and possibly others.

Derived from Indian words or phrases, Ohio is an Iroquois word for "great." Kentucky is from the Indian "land of tomorrow." Michigan means "big lake." Oklahoma is the Choctaw word for "red people;" and Minnesota is from the Sioux words meaning "sky colored waters."

Slight Survival Of Cotton Insects Shown for Texas

When one speaks of the cotton insect situation in Texas one immediately captures the interest of Jones County's 1,950 farmers. Latest report on the cotton insect situation in Texas, prepared for county farmers by the U. S. Department of Agriculture, follows:

Emergence of boll weevils continues to be very low in Central Texas. At College Station 14 per cent have emerged to date as compared with 3.54 per cent to the middle of May in 1946 and 5.84 per cent for the total seasonal survival over the past 10-year period.

During the past week three weevils were found in two of 13 fields inspected at Waco.

No weevils or any punctured squares were noted in Cameron, Hidalgo or Willacy Counties of the Lower Rio Grande Valley during inspection of 75 fields to determine the flea hopper infestation.

Flea hoppers are not as abundant as last year in the Valley counties at this time. Only two of the 75 fields inspected had sufficient infestation to justify control measures. Both of these fields are in Willacy County. Although the flea hoppers are in comparatively small numbers in most fields, considerable dusting is being done to control them. Since plant lice have caused more damage than usual and flea hopper infestations are generally low, sulphur or sulphur mixtures should be used rather than DDT alone. The use of DDT alone is quite likely to result in increase of aphids or plant lice because it reduces the number of beneficial insects which usually prey upon the aphids.

Figures recently released by the Bureau of Agricultural Economics show that insects in 1946 caused a reduction of 15 per cent from full yield per acre of cotton in Texas as compared with 18 per cent in 1945. Last year boll weevils were responsible for 10 per cent of the reduction and other insects for five per cent.

Mrs. Housewife, Go Easy on Sugar!

You must continue, Mrs. Housewife, to go easy on the sugar! There will be no sugar stamps issued this year for home canning purposes.

As consumers start using the sugar made available by a new 10-pound stamp April 1, the Texas A. & M. College Extension Service cautions that the sugar bought with the new stamp will have to take care for the home canning will be issued this summer.

Miss Gyndolyn Jones, extension food preservation specialist, explains that this situation does not mean that each consumer will get less sugar this year.

Actually each person will get 30 or 35 pounds this year in comparison with only 25 pounds last year. In the past, the OPA issued stamps at regular intervals for regular table use, and, at canning time, issued the canning sugar stamps.

Mr. and Mrs. A. B. Carlton attended "The Creation" in Abilene Sunday evening.

A Man of His Word

POT-SHOTS FROM McCAULLEY

BY GEO DARDEN

Thanks to Reed Young of Cisco for a renewal to The Herald.

Mrs. A. M. Elvens mails in her pledge of \$5 for the cemetery fund, our goal for the year is \$500. to put the cemetery in good condition. Please mail your pledges now. Or if you like make your deposits in the F. & M. National Bank to McCaulley Cemetery Fund.

Relatives from Louisiana and New Mexico visited the J. P. and J. M. Humphries families last week.

Rufus Herbst is "sporting" a new Chrysler New Yorker automobile—she's a honey.

Mrs. M. A. Darden from Girard and mother of this scribe is looking after her crippled off-spring and his children in McCaulley.

Farmers of this community are counting the days when the rain will let up enough for them to get in their fields.

Most of the sick and cripple of the community are on the mend, however a few remain in hospitals.

S. E. Miers returned Saturday from Fort Worth and Cisco where he has been visiting his children, Charles and Sherry Elvens of Fort Worth, his grandchildren returned home with him for a few weeks visit.

Mr. and Mrs. Kenneth Mason, the daughter and baby from Houston have been visiting in the home of his mother, Mrs. Flora Mason in McCaulley.

Will (Bear) Walker old time colored citizen of McCaulley passed

away two weeks ago after a long illness. He was owner and operator of the "Tin Shack" a hotel and Cafe for colored folks.

Rev. C. E. Dick pastor of the McCaulley Baptist Church for many years has resigned as pastor. He plans to retire after many years of faithful service. He will continue as pastor until another is called.

The high school junior and senior classes along with their sponsors left Monday by school bus for their first sight seeing trip since before the war. They will visit Austin, San Antonio, Galveston, Houston and Old Mexico and plan to be gone a week.

The story of the biggest "short horse race in history" appeared in last week's issue of Time Magazine. The place was Del Rio, a matched race between Shue Fly, a ten year old champion of the quarter horses owned by Helper Brothers of Carlsbad, New Mexico and Miss Princess owned by the millionaire Robert Klegberg of the King Ranch. Miss Princess a four year old mare won by a length and \$300,000 changed hands in 22.3 seconds according to Time Magazine. And the State of Texas got no revenue. It's a good story and on page 50 of Time in the last week's issue.

There should be a law in Texas whereby every owner of an automobile would have to carry public liability insurance. By having such a law, every citizen would be protected in case of a car wreck as far as the money is concerned. In fact the State of Texas could go into the insurance business and if such a law was enacted the rates would be cheaper and all would be protected. Many laws are passed each year but none as important as a law that would protect our citizens rich or poor from unfortunate car wrecks that happen every day on our highways. Yes, car owners should have to buy their liability insurance each year they buy their car tags. A law is in force in the State of Utah. It should be in force in Texas.

Former Pioneer Hamlin Business Man Dies May 23

W. A. Nobles Sr., former Hamlin business man, died at his home in Monohans Friday 23 after a lingering illness of 17 months.

Funeral services were held at the Monohans Methodist Church on Sunday at 2:00 o'clock.

Mr. Nobles was a pioneer resident of Hamlin, living here from 1907 to 1931. He was a member of the firm Nobles and Scales Grocery Company, one of the first businesses here, and later of the firm of Nobles Brothers—Wood Dry Goods Company. He was also engaged in the cotton business here for several years.

He was one of the founders of the local Methodist Church assisting the pastor, Rev. West, to carry the lumber for the first building. He was a member of the first board of trustees and stewards, and was superintendent of the Sunday School for many years, and also taught the young's men's Bible Class for about 10 years. He was also active in the Masonic and W. O. W. lodges and the Chamber of Commerce.

Mr. Nobles, with nine other pioneers, bought the East Side Cemetery land and deeded it to the City of Hamlin as a gift. Hamlin was very close to his heart at all times, and in the last days his family says that he spoke often of it and of the many people there he loved so well. He is survived by his wife, Mrs. Recy Nobles; five children, Mrs. Vera Scrimshire, Monohans, Mrs. Berta Rountree, Lordsburg, New Mexico, Mahlon and W. A. Nobles Jr. of Uecos and Mrs. Mildred Key, Paris; eight grandchildren and two great grandchildren.

Mr. Nobles is the second child of 10 brothers and sisters, ranging in ages from 50 to 74 years, and he is the first one to pass away. Seven were present for the funeral services.

A brother-in-law, H. S. Scales of Hamlin, was among the many out-of-town people attending the final rites.

John Dana is now employed in Lubbock. His wife, Mrs. Mary Lou Dana and daughter, remain here and he comes home for the week-ends.

'Motor Memories' of Henry Ford

The warmth of 50 years' friendship attaches to this hitherto unpublished snapshot of Henry Ford and Eugene W. Lewis (right) Detroit author, taken at Richmond Hill, the Ford Georgia plantation. It appears in print in "Motor Memories" (Alfred, of Detroit, Inc.) Mr. Lewis saw book about automotive pioneers he knew so well. The sweater and dirt are of Mrs. Ford, "The Believer," who was constantly at his side even unto the death" of Henry Ford April 7 at the age of 83 years.

Blessed Events

Mr. and Mrs. Eddie L. Horne of Albuquerque, New Mexico are the parents of a daughter, Cheryl Lou, born on May 19. Mrs. Horne is the granddaughter of Mrs. Dan W. Stephens of Hamlin.

Four Square Ladies Meeting Friday Afternoon

Mrs. Odell Garrett will bring the devotional at the ladies meeting at the Four Square Gospel Church parsonage Friday afternoon beginning at 2:00 p. m.

Every woman is invited to attend this meeting.

Rev. W. J. Benson of Lamesa will be the principal speaker at the Youth Rally at Mt. Zion Friday.

Go To Conference

Dr. Will C. House, pastor of the First Methodist Church, and Ed Bailey, delegate from the local church, left Wednesday to attend Methodist conference at Amarillo. Billy Franks will represent the youth of the church at the Boy's conference.

Herald Early!

The Herald was printed on Wednesday afternoon, instead of Thursday, this week, due to the postal holiday Friday. Cooperation of advertisers and people with news stories made it possible for the paper to be printed early. There will be no rural mail delivery on Friday.

Regular publication schedule will be resumed next week.

PIANO LESSONS taught by Mrs. L. B. Baker, starting Monday morning June 2 in her studio at the high school. 1p

Mr. and Mrs. B. King had as their week-end guests their children, Mr. and Mrs. M. W. Humphreys of Wichita Falls and Geneva King of Stamford.

Victor Hartwig of Dallas has moved to Hamlin and is a barber here.

Mr. and Mrs. Harold J. Nelson of Abilene have spent the past nine days here with their mother, Mrs. M. C. Wilson, who is ill with arthritis.
